The Mayor, Hal H. Harris, on behalf of the Borough extended the formal welcome of the community to the Grand Lodge.

The Grand Marshal reported all present as qualified to sit in Grand Lodge, after which the Grand Master called on the Grand Chaplain for the Invocation, followed by singing the Opening Ode.

Opening Prayer,

Our Father in Heaven, we thank thee that thy presence is everywhere manifest, and thy spirit of blessing and holiness can be found in every heart that has been opened to receive thee. We praise thee especially that it is again our privilege to come together in an annual session of our Grand Lodge. May the consciousness of thy presence be the enriching experience of all who shall tarry within these gates of duty and privilege. May our hearts beat as one great heart of mutual concern for the success of all our fraternal undertakings. As the disciples of old assembled "with one accord in one place" awaiting the fulfillment of the master's promise, may we be inspired with a common purpose to receive whatever favor it may please thee to bestow upon us. The year that has drawn to a close has been marked with countless manifestations of thy gracious concern. During the past twelve months many of our number have been called to their eternal reward, but we cherish the memory of the years they spent in promoting the interests of our beloved Order. May we who are left do everything in our power to emulate the worthful examples of our departed brothers. To this end, may this Grand Lodge reveal in all its deliberations the indispensable value of "Friendship, Love and Truth." And may this initial meeting of our annual "stock taking" be the prophetic expression of what will have been accomplished when the hour of adjournment comes and we shall again say farewell as we go out to engage in a new year of fraternal labor. We ask it in Jesus name. Amen.

The Deputy Grand Master, at the direction of the Grand Master thereupon declared the One Hundred and Eleventh Session of the Grand Lodge open for the transaction of business.

The Grand Master announced the appointment of William H. Werner, P. G., No. 748, on the Committee on Judiciary, vice George B. McDowell, P. G. M., and H. E. Robinson, Rep. No. 34, on the Committee on Legislation, vice Robert Mullen, P. G. P., which were on motion of Ira Schlegel, Rep. of No. 568, confirmed.

The Grand Secretary announced the appointment of John M. Morris, Rep. of No. 225, as Custodian of the Secret Work, which was on motion of William Curtis, P. G. P., Rep. of No. 529, confirmed.

The Committee on Credentials presented the following report of Representatives-elect to the Grand Lodge.

On motion of Fred C. Hanyen, P. G. M., G. T., the report was received without reading, entered on the Journal and the Representatives acknowledged accordingly.

REPORT No. 2

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

BROTHERS:

I present the following report of my activities as Grand Master during the past year.

MEMBERSHIP PROGRAM

Realizing the vital necessity of stimulating efforts in the various Lodges to add to our numerical strength, at the beginning of my term of office I presented a list of suggestions under the name of ANNIVERSARY CLASS, which is shown below, for the consideration of the Lodges and all active members of the Order and if found practical to be adopted as a working basis in securing additions to the membership of the Order. It is a pleasure to report that in a number of instances many of the suggestions were adopted with gratifying results and in other instances said suggestions were the means of bringing about a definite program of membership activity which has been very helpful and has resulted in adding many to the membership list of the Lodges.

The following are the suggestions which were offered:

ANNIVERSARY CLASS 1933-1934

Suggestions which may be helpful to the Subordinate Lodges in their efforts to secure new members and to re-instate suspended members.

1. Secure the active interest of each member of the Lodge if possible.

2. Make a list of the names and addresses of available men in the community who are not members of the Lodge.

3. It would help greatly if twenty-five, fifty, or one hundred members of any Lodge would each pledge himself to secure at least one new member, and then do it.

4. Make a list of the names and addresses of the members of the Lodge who have been suspended. During the period of one year from June 14, 1933, the minimum fee for re-instatement of a member suspended for non-payment of dues is $1.00.

5. Give each member of the Lodge who is taking part in the campaign at least one of the names of the available men and also the suspended members.

6. Carefully investigate each person who is a prospect for membership and be sure that he will be an asset to the Lodge if initiated.

7. Make a personal call upon each person whose name is on the list. If necessary have some other member make a second or a third call upon such person.

8. Impress each prospect with the high standing of our Order. Explain to each the splendid fraternal record of the I. O. O. F. Stress the many phases of its beneficial service.

9. If possible hold "pep" meetings. Work up enthusiasm. Fix a definite time if possible to push the campaign. Work out all details to the best advantage. The requirements in each Lodge may be different.

DISTRICT DEPUTY GRAND MASTERS

I sent out a Questionnaire to each Brother recommended by the vote of the Past Grands for District Deputy Grand Master. The return came back promptly and indicated that each was anxious and willing to serve to the best of his ability in said office. Each Brother recommended was duly appointed, and, throughout the term, has displayed a most commendable interest in, and loyalty to, the Order. There were two resignations due to circumstances which rendered it impossible for said Brothers to serve and the successor appointee in each case has likewise been faithful in the performance of the duties of office. I have had the privilege of meeting almost all the Deputies at some time during the year, and the cordiality shown in each instance has been most gratifying. It sometimes occurs that the Brother recommended for District Deputy Grand Master, also, holds an office in his Subordinate Lodge of which he is a member and I would recommend that a standing resolution be adopted enabling the Grand Master in his discretion to make appointment in such case. The Commissions were issued June 30, 1933, and with each one was enclosed a copy of the following letter:

MY DEAR DEPUTY:

I am pleased to hand you herewith your Commission as District Deputy Grand Master. I am confident that you will thoroughly familiarize yourself with its contents and faithfully perform the duties which it enjoins upon you.

You will also find enclosed herewith a list of suggestions concerning Membership Campaign for the ANNIVERSARY CLASS. Many of these may be helpful to the Lodges in their efforts to secure new members and to re-instate those who have been suspended.

I will appreciate it if you will visit each Lodge in your District as soon as you can. Express to each my fraternal greetings and assure them of my deep interest in their success and welfare throughout the year. Urge each Lodge to begin a Membership Campaign promptly. Call attention to the suggestions contained in the list which I have enclosed for your use. Make known the fact that during the period of one year from June 14, 1933, the minimum fee for the re-instatement of a member suspended for non-payment of dues is $1.00.

It will be a pleasure to co-operate with you in the performance of your duties, and I shall appreciate hearing from you as to the conditions in your District.

Anticipating a most pleasant and profitable experience through our association in the work of the Order throughout the year, and with personal regards and all good wishes, I am,

Fraternally yours,

NORVAL R. DAUGHERTY,
Grand Master.

RALLY NIGHT

With the view of further stimulating activity in the Membership Program, I addressed an Official Communication to the Lodges in September, 1933, proclaiming the month of October as Rally Period and urging each Lodge to designate a definite night in said month as Rally Night and to arrange an appropriate program in keeping with suggestions contained in said Official Communication.

It was gratifying to learn in my travels over the State that Rally Night had proved a very great success in many Lodges. I have learned that in many localities the meeting on Rally Night had been the most interesting and helpful meeting of the Lodge in many months, and therefore feel sure that the reaction from Rally Night Programs has helped in a definite way in reviving interest in many of the Lodges throughout the jurisdiction.

STATE OF THE ORDER

It has been my privilege to hold at least one meeting in each of the 67 Counties of the State of Pennsylvania. In 42 of the Counties I have held two or more meetings. These meetings have enabled me to contact a few of the members of practically all the Subordinate Lodges in our Jurisdiction. Many of the meetings have been the occasion of initiation of candidates. The group of initiates has varied from one to twenty-one. In some of the meetings members have been re-instated, and in others reports have been rendered indicating active effort in an attempt to reduce the delinquent list of members by securing payment of dues or remission of the same and thereby retaining members on the Lodge roll.

There has been a very positive effort on the part of many of the Lodges throughout the official term to overcome the unfavorable reaction from the economic depression and such effort has resulted in building up a fine spirit of harmonious co-operation in each Lodge where such activity has been carried on.

A few of our Lodges are still "sick," although I am inclined to feel they are not afflicted beyond hope of recovery. With careful and patient

treatment, I believe that practically all the Lodges which may be classified as "hard pressed" will be able to surmount the hardships of the recent past.

I regret that the initiations and the re-instatements have not been sufficient in volume to equal or overcome the losses by death and suspensions, but the Lodges and the individual members which have labored incessantly and loyally to counteract unfavorable conditions and thus build up and retain the membership of the Lodge are entitled to our most sincere commendation.

OUR HOMES

I have had opportunity to visit each of our eight Homes during the official term. On each visit I found conditions most favorable.

In our four Homes for Orphans, I found the children in a contented, happy frame of mind, healthful except for a few minor complaints and industriously engaged in school activities. Many of them were honor students and had received recognition in keeping with ability and talent displayed.

In the four Homes for the Aged, I found conditions likewise most satisfactory. In practically every instance the old people seemed to be contented and happy and to fully realize that they are very fortunate in their present surroundings.

In each case the affairs of the Home seemed to be carried on in a most capable manner by those in charge. There appeared to be a determined effort in each case to so conduct the affairs of the Home, as to meet the conservative requirement of economy without any curtailment in the quality of clothing or food provided for the guests, all of which is commendable.

I regard our Homes as a most potent medium of stressing our fraternalism in the mind of the public and we should, therefore, strive by every possible means to effectively carry on this very important phase of our fraternal enterprise.

MEMBERSHIP PROGRAM

1933-1934

Anniversary Class

Pittsburgh, Pa., July, 1933.

The Anniversary of our Order is one of the most important dates in the calendar of Odd Fellowship. It falls on the 26th of April each year. As we approach that time in the year many Lodges, Districts, and Past Grand Associations arrange and carry out an appropriate program celebrating the event. These activities are most commendable and have contributed in numerous ways to the prosperity and welfare of the Order.

ANNIVERSARY CLASS is the name given to our membership program for the present official year. In making this choice of a name, I was influenced by the feeling that the word itself would be inspirational to all Odd Fellows in our Jurisdiction. It was my belief that each one would be animated by a sincere desire to make a definite contribution this year to the permanency and progress of our Order, and that this desire could be best expressed by securing new members for the Lodge. It seemed to me that each one could easily visualize a most glorious celebration of our Anniversary in 1934 if we could then bring to a consummation a campaign that had been the means through which thousands of members had been initiated and reinstated in our Subordinate Lodges.

I am of the firm belief that such a result is within the easy range of possibility. With a little practical planning now in each Subordinate Lodge, followed by systematic, courageous effort throughout the fall and winter months, actual results can be attained on a large scale.

As we proceed in this campaign, enthusiasm will doubtless rise high. However, all our plans should be based upon good judgment and in

keeping with strict observance of the letter as well as the spirit of our Order. Good will and good fellowship should be the keynote of our efforts, and the desire increasingly to enhance the influence of the Lodge in every good work should characterize all that we do.

Each Lodge is urged to carry on such a program. Each member in the Jurisdiction of Pennsylvania is invited to take an active part in such an undertaking. I am confident that all who participate will be benefited personally and will have the supreme satisfaction of knowing that they have done something worth while for the Lodge and the Order of which they are a part.

With the hope of helping a little, and as an evidence of my interest in the success of this campaign, I am submitting herewith the following suggestions which may be used in whole or in part if found adaptable to the needs in any Lodge.

1. Secure the active interest of each member of the Lodge if possible.

2. Make a list of the names and addresses of available men in the community who are not members of the Lodge.

3. It would help greatly if twenty-five, fifty or one hundred members of any Lodge would each pledge himself to secure at least one new member, and then do it.

4. Make a list of the names and addresses of the members of the Lodge who have been suspended. During the period of one year from June 14, 1933, the minimum fee for reinstatement of a member suspended for non-payment of dues is $1.00.

5. Give each member of the Lodge who is taking part in the campaign at least one of the names of the available men and also the suspended members.

6. Carefully investigate each person who is a prospect for membership and be sure that he will be an asset to the Lodge if initiated, or reinstated.

7. Make a personal call upon each person whose name is on the list. If necessary have some other member make a second or third call upon such person.

8. Impress each prospect with the high standing of our Order. Explain to each the splendid fraternal record of the I. O. O. F. Stress the many phases of its beneficial service.

9. If possible hold "pep" meetings. Work up enthusiasm. Fix a definite time if possible to push the campaign. Work out all details to the best advantage. The requirements in each Lodge may be different. Divide the membership of the Lodge into competitive groups if desirable.

I feel sure that if some systematic method is employed and followed up in each Subordinate Lodge great interest will be developed and many members added to the roll.

It will be a pleasure for me to assist the Lodges in their laudable efforts in this respect in every possible manner.

Anticipating the active and manifest interest of a great host of our members in this campaign for the ANNIVERSARY CLASS, I am,

Fraternally yours,

NORVAL R. DAUGHERTY,
Grand Master.

OFFICIAL COMMUNICATION NO. 2

OFFICE OF THE

GRAND MASTER

PARK BUILDING

PITTSBURGH, PA., SEPTEMBER 27, 1933.

BROTHERS:

In furtherance of proposed plans for membership as announced in my remarks before the Grand Lodge at Erie on June 15, printed on page 703 of the 1933 Journal, and similar suggestions contained in a later communication published in the July issue of *The Pennsylvania Odd Fellow*, also in keeping with the intent and purpose of Resolution No. 3, page 665 of the 1933 Journal, I proclaim the month of October, 1933, as a Rally Period for the Lodges throughout the Jurisdiction.

Each Lodge is urged to designate one meeting night in the month of October as Rally Night for the members. I also request that the Lodge in each case endeavor to secure a large attendance of the members on Rally Night.

Arrange an interesting program. Have several short inspirational talks. Inform each speaker in advance what subject you wish him to discuss. Place a time limit on all talks. Assign interesting subjects which relate to the welfare of the Order. How to secure new members; how to retain each member's interest in the lodge, and other similar topics.

Many Lodges and Past Grands Associations throughout the Jurisdiction have already begun such activities as are herein mentioned. Their efforts are greatly appreciated and will undoubtedly be most beneficial to the Lodges involved. It is hoped that this further request will tend to encourage them in their efforts.

The Board of Grand Lodge Officers is in full accord with the purpose of this communication, namely, to stimulate increased and continued activity for promoting the welfare of the Lodges. Each Grand Lodge Officer will cooperate to the fullest extent of his ability and opportunity. District Deputy Grand Masters will also help in every way.

Past District Deputy Grand Masters, Past Grands Associations and a great host of interested members of the Order, if requested, will be glad and willing to assist in this undertaking. Invite everyone to help. Give each interested member some part to perform. Carry out all plans in a commendable manner and in keeping with the spirit of the Order.

Follow up Rally Night with definite plans to secure new members; to reinstate suspended members; to reduce to a minimum the suspension list. Continue such endeavors throughout the year. If each one will put forth his best efforts the results will be helpful to the Lodges and highly gratifying to all.

Fraternally yours,

NORVAL R. DAUGHERTY,

Grand Master.

WILDEY BIRTHDAY PROCLAMATION

THE SOVEREIGN GRAND LODGE

OF THE

INDEPENDENT ORDER OF ODD FELLOWS

OFFICE OF THE GRAND SIRE

NOVEMBER 24, 1933.

To the Officers and Members of all Grand and Subordinate Bodies of the Independent Order of Odd Fellows:

Thomas Wildey, the founder of our Order on the North American Continent, was born in London, England, January 15, 1782. He came to America early in life and followed his trade as a mechanic.

Brother Wildey gave much of his energy and personal wealth to the upbuilding of our Order and by his devotion to its principles gave to the world a striking example of one man pointing the way to a Universal Brotherhood of man.

Now Therefore, in accordance with the law of the Sovereign Grand Lodge, I, James H. Davis, Grand Sire, do hereby request all Lodges, Encampments, Cantons, Auxiliaries, Rebekah Lodges, Junior Lodges and Theta Rho Clubs to hold appropriate birthday exercises in honor of Thomas Wildey, Founder of our Order.

Such services should be conducted on January 15, 1934. However, if a different date be more convenient for any Jurisdiction, such services may be held on the nearest date to January 15th that may be most desirable.

Done at Tacoma, State of Washington, this 11th day of November, 1933.

(SEAL) J. H. DAVIS, *Grand Sire.*

Attest: J. Edw. Kroh, *Grand Secretary.*

To the Officers and Members of the Subordinate and Rebekah Lodges of the Independent Order of Odd Fellows of Pennsylvania:

FRATERNAL GREETINGS:

The foregoing WILDEY BIRTHDAY PROCLAMATION which has been issued by our Grand Sire, Brother James H. Davis, is self-explanatory and is herewith transmitted for your attention.

In keeping with the request of our Grand Sire, I urge all Subordinate Bodies throughout the jurisdiction of Pennsylvania to make suitable arrangements for appropriate observance of the Birthday of our illustrious founder, THOMAS WILDEY, as near January 15, 1934, as may be most convenient and desirable.

Dated at Pittsburgh, Pennsylvania, this 23rd day of November A. D. 1933.

NORVAL R. DAUGHERTY,
Grand Master.

OFFICIAL COMMUNICATION NO. 5

INDEPENDENT ORDER OF ODD FELLOWS
OF PENNSYLVANIA
OFFICE OF THE
GRAND MASTER

PITTSBURGH, PA.

To Officers and Members of the Subordinate Lodges, I. O. O. F., of Pennsylvania.

BROTHERS:

We have turned the proverbial new leaf of the beginning of the year 1934. The past is a matter of history; we have no power to change it, but we may profit by its admonitions. The future days will be filled with opportunities for self-improvement and service to others through the agency of our Order for those of us who possess the courage and will-power to make them realities.

The general response by Lodges to the request for Rally Night was most gratifying. Reports received indicate that in many localities Rally Night was the most interesting and profitable meeting held in many months. As a result of these specially planned meetings renewed interest has been aroused in many dormant Lodges and programs of activity designed to be beneficial and helpful have been undertaken. If, for any reason, any Lodge has been unable to date to observe Rally Night, I urge that such activity be undertaken without delay.

Observance of the Anniversary of the birth of Thomas Wildey may be made the occasion of a very interesting and helpful Rally in behalf of the Order. This event should be observed in some form in every Lodge. A recital of a few of the outstanding events in the life of this loyal worker for the Order will be helpful and inspirational to everyone. The days in which Brother Wildey served the Order were beset with difficulties and hardships of which we are little informed. A review of his tireless efforts and definite accomplishments for good in the face of apparent insurmountable obstacles will stimulate the courage and zeal of all genuine Odd Fellows.

The Membership Program has been carried on with definite success in many Districts in the past three months. From 1 to 40 new members have been initiated by a large percentage of the Lodges. Many Lodges have reinstated a large number of members heretofore suspended for non-payment of dues and hundreds of our unemployed and un-

fortunate brothers have been helped and retained on the Lodge Roll. Our Order has been definitely benefited and its influence greatly enhanced wherever such expressions of helpfulness have been recorded.

It has been my desire to cooperate in this good work. With this end in view I formulated and have carried out a plan to hold one or more meetings in each of the 67 Counties of the Commonwealth. It was with a feeling of much personal satisfaction that I consummated this undertaking on December 28, 1933, with my visit to Emporium Lodge, No. 984, on the evening of that date. Cameron County, therefore, was the 67th County in which I held one or more meetings of the Order since the 20th of June, 1933. These meetings held in each of the 67 Counties—in all 161 meetings as of December 30, 1933—have been uniformly interesting and progressive in character. By this means I have been able to contact a few members from each of practically 700 of the Subordinate Lodges. I find that where there has been definite programs of activity in any Subordinate Lodge there has, also, been definite results accomplished.

I propose to carry on with unabated interest throughout the official term and urge all members of the Order to try as never before to add interest and influence to the Lodge and the Order through effective, loyal service in its behalf.

With good wishes to all, believe me,

Fraternally yours,

NORVAL R. DAUGHERTY,
Grand Master.

OFFICIAL COMMUNICATION NO. 6

1819—ANNIVERSARY PROCLAMATION—1934

THE SOVEREIGN GRAND LODGE

OF THE

INDEPENDENT ORDER OF ODD FELLOWS

OFFICE OF THE

GRAND SIRE

A PROCLAMATION

To the Officers and Members of all Grand and Subordinate Bodies of the Independent Order of Odd Fellows:

The institution of American Odd Fellowship one hundred and fifteen years ago established one of the greatest institutions ever given to the world for the promotion of Fraternity and the Brotherhood of Man.

Thomas Wildey founded Odd Fellowship for the betterment of mankind, for the relief of distress and mutual assistance.

Odd Fellowship will survive because it is founded on the Eternal Rocks of Truth and Love.

THEREFORE, in accordance with usage and the laws of the Sovereign Grand Lodge, I, James H. Davis, Grand Sire of the Independent Order of Odd Fellows, by virtue of the authority vested in me, do hereby request all Lodges, Encampments, Cantons, Auxiliaries, Rebekah Lodges and Theta Rho Girls' Clubs to hold appropriate exercises in keeping with the purposes and principles of the Order and by public thanksgiving to Almighty God for his many blessings to us as individuals and as an Order.

Such services should be held on April 26, 1934. However if a differ-

ent date be more convenient for any Jurisdiction, such services may be held on the nearest date of April 26th that may be most desirable.

Done at Tacoma, State of Washington, this 20th day of February, 1934, and of the institution of our Order the One Hundred and fifteenth year.

(SEAL) J. H. DAVIS, *Grand Sire.*

Attest: J. EDW. KROH, *Grand Secretary.*

To the Officers and Members of the Subordinate and Rebekah Lodges, I. O. O. F., of Pennsylvania.

FRATERNAL GREETINGS:

I am pleased to transmit herewith the foregoing Proclamation from our Grand Sire, Brother James H. Davis, relative to the Celebration of the Anniversary of the founding of the Independent Order of Odd Fellows in America. I urge all Lodges to make appropriate arrangements to celebrate this outstanding event in the history of our Order in a most effective manner.

Our efforts this year to increase the numerical strength of our Order in Pennsylvania have been concentrated upon a membership program under the name of Anniversary Class. If any Lodge has not yet fully realized its ambition and desires in this respect, I trust that plans for that purpose will be formulated promptly and put into operation without delay.

I have just received a letter dated February 26, 1934, which states in part as follows: "Just a line to tell you of the activity in our Lodge since you were here to visit us on November 25. On or about the 15th of December we started a drive for members. Since that time we have re-instated 40 and initiated 4." This is what can be done if you get the Brothers interested.

I have before me another letter dated February 24, 1934, which states in part as follows: "The Lodge is putting on a drive for a nice class of candidates in April and have set their goal for 15 or more."

The activity of each of the above mentioned Lodges is most commendable and their example may be followed with great profit by any Lodge in our jurisdiction which has not already undertaken a membership program. The time is short before the arrival of our Anniversary date of April 26, but gratifying results can be accomplished in every Lodge if definite plans are made and faithfully carried out.

Dated at Pittsburgh, Pennsylvania, this 27th day of February, 1934.

NORVAL R. DAUGHERTY,
Grand Master.

OFFICIAL COMMUNICATION No. 7

MAY 3, 1934.

To the Officers and Members of the Subordinate Lodges, I. O. O. F., of Pennsylvania.

FRATERNAL GREETINGS:

The following matters are called to your attention and your manifest interest in each is earnestly requested.

MEMORIAL DAY PROCLAMATION

Pursuant to Proclamation issued from the office of the Sovereign Grand Lodge and in keeping with the request therein expressed by Brother James H. Davis, Grand Sire of the Independent Order of Odd

Fellows, wherein he proclaims Tuesday, June 12, 1934, as a day of Memorial for departed Brethren who have died during the past year: I do hereby urge upon all Lodges to make appropriate arrangements for such Memorial on a date as near to June 12, 1934, as may be convenient and desirable.

EDUCATIONAL FOUNDATION

It is with pleasure, also, that I inform you of receipt of a communication from our Grand Sire giving information that the Jurisdiction of Pennsylvania has contributed $100.00 to the Educational Foundation: has received $1,900.00 in loans: and has on file five applications for loans which cannot be made for lack of funds.

Said communication, also, contains an earnest appeal from the Grand Sire that we give due and serious consideration to the merits of the Educational Foundation and make such liberal contributions thereto as the Lodges and individual members may be able to do.

This is, undoubtedly, a worthy enterprise and I trust that it will have favorable consideration and generous support by the Lodges and individual members of our Order in Pennsylvania.

REPRESENTATIVE TO GRAND LODGE—MILEAGE

In order that a Representative to Grand Lodge may be seated in Grand Lodge and receive the mileage authorized by the laws of our Order, the Lodge which he represents must be in good standing, which means that Per Capita Tax and all other proper charges due the Grand Lodge from said Lodge must be paid in full. The Brother must, also, be a Past Grand in good standing in the Lodge which he represents. These, and other requirements, are fully explained in Sections 1, 2 and 3, Article II, page 5 of the Constitution of the Grand Lodge and must be complied with. Secretaries are requested to bring these provisions of our laws clearly to the attention of the Representative Elect so that no one shall be disappointed after arriving at Stroudsburg for the Convention.

Wishing for all unbounded success in carrying on the work of the Order, I am,

Fraternally yours,

NORVAL R. DAUGHERTY,
Grand Master.

Attest: FRANK SHANNON, *Grand Secretary.*

APPRECIATION

The assistance and helpfulness of our Grand Secretary, Frank Shannon, throughout the official year has lightened my tasks and rendered more enjoyable the period of my service as Grand Master. His courtesy and co-operation at all times and that of the entire personnel of the Grand Secretary's office has been greatly appreciated and is hereby gratefully acknowledged.

The uniform co-operation of our Deputy Grand Master, G. Will Henry, and our Grand Warden, Clifford W. Fenton, in the promotion of every laudable program presented by the Grand Master for the advancement of Odd Fellowship has been most gratifying and helpful. I wish for each of these brethren the greatest measure of success in official station in our Order and pledge to each my loyalty and support.

The fine fraternal spirit and helpful attitude shown by our Grand Treasurer, Fred C. Hanyen, and our Grand Representatives, John N. Mark and Webster Grim have also been a source of genuine satisfaction and are acknowledged with grateful appreciation.

The appointive officers have at all times displayed a manifest willingness to make their finest contribution to the advancement and welfare of the Order.

District Deputy Grand Masters, Committeemen and hundreds of active members of the Order throughout the Jurisdiction have at all times displayed a spirit of friendliness and service which has been most beneficial and gratifying. The officers and active members of the Grand Encampment and of the Patriarch's Militant and of the Rebekah Assembly have, likewise, been courteous and helpful in every possible manner.

All my contacts with the Order and the thousands of individual members whom I have met from time to time during the official year have been characterized by friendship and fraternalism, for all of which I am sincerely grateful.

CONCLUSION

I have come to the end of a most enjoyable period of service in behalf of our Order. While endeavoring to perform the duties undertaken a year ago, I found a host of loyal co-workers. A desire to help has been manifested everywhere. In all my travels, and my contacts with the Lodges and individual members during the official term, I have not observed an attitude or an expression but that which indicated genuine appreciation and friendliness. As a result of my experience in the past year my faith in the virtue of our Fraternal Institution has been deepened and my loyalty to its fundamental principles has been intensified. My favorable opinion of the character and good qualities of the men who make up our membership has been abundantly confirmed. With a feeling of obligation to all and for the recognition I have received and the assistance and good wishes which have been bestowed upon me so generously, I remain,

Fraternally yours,

Norval R. Daugherty

Grand Master.

The Grand Secretary presented the printed and Supplemental Reports.

Fred C. Hanyen, P. G. M., G. T., moved that the Grand Master's, the several printed and Supplemental reports be received and referred to the Committee on Distribution.

The motion was agreed to.

G. Will Henry, Deputy Grand Master, presented his report as follows:

The wide range of work in my last month as Deputy Grand Master, because of the time and preparation for printing, cannot be included, of course, in the advance report, but be assured that it will be just as strenuous, as stimulating, and as unstintingly given, as anything I have ever done for you and the good of our great Order.

Only about two thirds of the reports from the District Deputy Grand Masters have been received, and I have read each one. I have my own annotated remarks placed on each one for my future reference. I shall make an intensive, intelligent study of the recorded facts in each district, which shall be my guide to many immediate conferences for definite work, in view of local enrichment.

I like the cheerful outlook from each officer, and I offer my commendation and congratulation for the time, energy, and co-operative spirit they have shown; but the excuses for losses range from individual selfishness in "a one man lodge," through jealousy, indifference, and in affability, and all the other abstract fatal qualities that are common in times of danger, distress and disaster,—to lodge frills, local "fusses," alluring fashions, failing finances, and even to ambitious individual "high-hatted fame." Not one Officer says he has done his "utmost," but most of them have tried hard, and all but two are willing and anxious to try again. Continuous, earnest, utmost trial is the map for my sincere service, and I expect the same ideal of healthy helpfulness from each one in the work for 1934 and 1935.

But these reports are not the only means by which we know the conditions, for the activities of your Deputy Grand Master during the past year have been ripe, rich and rigorous,—taking him into representative meetings in every county, and bringing him into almost every fraternal condition that obtains today in the State of Pennsylvania.

In some Jurisdictions, Grand Lodge Officers wait until "the Grand Master's Year" to work, but today you have brothers who accept their obligations as sacred opportunities to serve, and go vigorously into the perplexing problems to render the needed solutions more promptly.

To me personally, it has been a joyous experience in service, and helpful to some extent, individually and collectively to the membership, as well as to their local and state official family.

Personal contact and public appearance in a D. D. G. M.'s district has created a new lease on the life of several lodges, and confidence has been restored in some cases where carelessness had started to grow and choke the glad good growth that should permanently and practically be felt and seen in all Odd Fellow sections.

Our effective influence should be intensively spread into working conditions in every little village, town and through the residential parts of the big cities, regardless of expense.

The three cent postage alone is a big knowing item of necessary expense today, for I have spent more than $100.00 for stamps.

Railroad fares are the same as former War Time Rates, and one way tickets on the bus are not cheap, so that I hope, for the good of the lodges in general, no energetic, hard working, sincerely serving officer will have the needed allowances curtailed.

I have again spent, of my own earned money, more than two times the appropriation that was granted for my official work.

With you and among you, I am anxious to do the detailed, definite work of the coming year, and I believe we shall enjoy a fuller participation, and a finer co-operation in all the contacts, than we have ever known.

Sincerely and Fraternally submitted,

G. WILL HENRY,
Deputy Grand Master.

Clifford W. Fenton, Grand Warden, presented his report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 5

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

We have the honor of presenting to the 111th Annual Session of the Grand Lodge of Pennsylvania, I. O. O. F., this, our second Annual Report, comprising the work of the last fiscal year, statements as to the standing and conditions of the Order in this Jurisdiction gathered from the Annual Reports submitted by the Subordinate Lodges, matters of detail incident to the work of the Grand Secretary's office and the report of the proceedings of the meetings of the Board of Grand Lodge Officers.

NECROLOGY

In compliance with the standing Resolution of the Grand Lodge, reports have been received from the Subordinate Lodges giving the names of Brothers in this Jurisdiction who have died during the year ending September 30, 1933. These names will appear in the Appendix to the Journal of this Session and I recommend that the Grand Lodge set aside a portion of its time and hold Memorial Services in memory of these Brethren.

HARRY S. WRIGHT

After a lingering illness which confined him to his bed for some seven months, Harry S. Wright, passed to his reward peacefully on October 28, 1933.

Brother Wright began his service in the office of the Grand Secretary in August, 1910, having been appointed Assistant Grand Secretary by the late Joseph Mackey, Grand Secretary.

Faithful in the discharge of his duties he continued until failing health caused him to retire. The Grand Lodge in regular Session last June very appropriately conferred upon him the title of Assistant Grand Secretary Emeritus. We mourn his passing.

GENERAL CONDITIONS OF THE ORDER IN PENNSYLVANIA

It is with regret that I must report that notwithstanding the strenuous efforts put forth by the Grand Master and each of his official family our Order has suffered a severe loss in membership. Due to abnormal conditions many of our lodges have been unable to meet the Per Capita and Home Tax payments, although decided improvements are indicated and many lodges have been able to remit for overdue taxes.

At the direction of the Board of Grand Lodge Officers the Grand Secretary had prepared a questionnaire to be sent to delinquent lodges in order that each individual case might be judged on its own merits. In some few cases it was found that lodges had failed to contribute their share of Per Capita and Home Taxes notwithstanding substantial sums having been collected from the members. The lodges seem not to appreciate the fact that a part of the monies collected from their members is for that specific purpose, and that it is a violation of our fundamental law to use said funds for any other purpose than that for which collected.

With the approval of the Board of Grand Lodge Officers we have authorized the installation of officers of those lodges which have found themselves in financial difficulties owing to present conditions, conditional however, upon the agreement of payments being made at the earliest possible moment.

DELINQUENT LODGES

There is an outstanding balance for taxes owed by 79 delinquent Lodges amounting to $8,818.70, the greater portion of which it is reasonable to expect will be paid in the very near future.

The following Lodges are delinquent for two or more terms prior to September, 1933:

REVIVAL

While the statistical report will indicate a loss in membership it is indeed gratifying to be able to report that genuine revival in Odd Fellowship is in progress. Evidence is to be had on every hand that Lodges are enjoying a revival. Initiations in Lodges that have been dormant for years are reported and reports indicate numerous reinstatements.

Around the corner and over the hill, LET'S GO!

ECONOMY

The decrease in our membership and the consequent loss of revenue has necessitated strict economy in the affairs of the Grand Secretary's office. Competitive bidding on all purchases, the use of the mimeograph, change in Per Capita Tax billing and receipts, taking advantage of second class postal rates, change of lighting system in the Grand Lodge office, together with several other minor economies, have aided in reducing expenses and in the saving of thousands of dollars annually.

VISITATIONS

Our duties require that we be present at all Special Sessions of the Grand Lodge. In addition to attending the Special Sessions, the sessions of the Grand Encampment, the Sovereign Grand Lodge and representing the Grand Lodge of Pennsylvania at the meetings of the Grand Lodge of the State of New York, we have responded to every call for our services when our official duties would permit and have endeavored to aid and encourage the Subordinate Lodges in every way possible.

We traveled over 5,000 miles and made 50 such additional visitations the entire expenses, with the exception of those in five cases, being personally borne.

"THE PENNSYLVANIA ODD FELLOW"

In the closing hours of the 1933 Session with but 345 of the 626 Representatives remaining, a slight majority voted the discontinuance of *The Pennsylvania Odd Fellow* and the setting aside of action taken the previous day by the 626.

That the said action did not voice the sentiment or meet with the approval of the Subordinate Lodges or the membership has been clearly indicated by the wave of protest that poured into the Office of the Editor. Dozens of Lodges, hundreds of members, several Past Grands' Associations and many Past and present Grand Lodge Officers voiced their disapproval and expressed the opinion that a decided backward step had been taken. A medium of direct communication with the membership was closed without the Lodges being given an opportunity to con-

sider and express their opinion. Requests are being constantly received asking for a revival of the publication.

In view of said facts we recommend that the unexpended balance, as shown in the statistical report, to wit; $2,425.00, or as much thereof as may be necessary, be appropriated and that *The Pennsylvania Odd Fellow* resume publication. That only such Lodges or members as subscribe be supplied with copies except when Official Communications are contained therein.

SECRETARIES' REPORTS

We regret the necessity of again calling to the attention of the Secretaries of the Subordinate Lodges the importance of supplying in their Annual Reports the information therein provided for.

It was necessary to return for correction or additional information more than 400 of the Reports received. The expenses of the Grand Secretary's Office were notably increased by reason thereof.

REINSTATEMENT EMERGENCY LEGISLATION

That the emergency legislation enacted last year permitting Lodges to reinstate, until June 14, 1934, such Brothers as had been suspended for non-payment of dues for the sum of not less than one dollar ($1.00) each was a move in the right direction is indicated by the fact that many Lodges have taken advantage of it and a decided increase in reinstatements has been obtained thereby. Being a firm believer that Subordinate Lodges should not be hampered by too many restrictive laws and that home rule should prevail whenever consistent with proper management and supervision, we recommend that said emergency legislation be renewed for a period of one year from the date hereof and suggest that an amendment to the Constitution for Subordinate Lodges may be offered in order that the privilege may be made permanent.

SPECIAL ATTENTION

The Sovereign Grand Lodge in amending its laws relative to Veteran Membership, (S. G. L. Code 507) has provided that Grand Bodies may amend the Constitution for Subordinate Bodies permitting Subordinate Lodges to provide in their By-Laws that anyone becoming such Veteran Non-Beneficial Member may pay or continue to pay such Lodge such sums as may be assessed or levied against such Lodges for the support and maintenance of Homes and Orphanages and thereby retain and continue to be entitled to all the rights and privileges, as to admission to Homes and Orphanages, as those held by Beneficial Members.

We sincerely trust that an amendment in conformity with the aforesaid privilege may be offered and adopted at this Session.

STIPULATED WEEKLY BENEFITS

Our records indicate that 84 Lodges have, by By-Law, dispensed with the payment of stipulated weekly benefits. A careful analysis of their several reports indicate also that the experiment has proven an unsatisfactory one, but four Lodges report an increase in membership and that but slight, while in nearly every other case a decided loss is apparent. We believe that should the Grand Lodge adopt the proposed amendment upon the subject that provision should be made whereby Lodges be obligated to pay at least the minimum as provided by Sovereign Grand Lodge Law.

SOVEREIGN GRAND LODGE SESSION

We were in attendance daily at the Sessions of the Sovereign Grand Lodge, held in Springfield, Illinois, September 18-23, 1933.

The information received there, as well as at the meetings of the Grand Secretaries and Grand Scribes Associations, was of incalculable value, and enabled us to advise and instruct our Brothers frequently in relation to new legislation. An exchange of ideas with other Grand Secretaries and the benefit of their experience has aided us materially in discharging our official duties.

PHILADELPHIA, PA., SEPTEMBER 22, 1933.

To the District Deputy Grand Masters of Pennsylvania.

GREETINGS:

Your special attention is called to the necessity of obtaining evidence that the Per Capita Tax has been paid before the installation of Subordinate Lodge Officers.

You will therefore be governed accordingly and install no Lodge Officers unless the Per Capita Tax receipt is produced or special authority granted from this office.

Fraternally yours,

OFFICE OF THE
GRAND LODGE OF PENNSYLVANIA

PHILADELPHIA, PA., JANUARY 20, 1934.

To the Officers and Members, I. O. O. F., of Pennsylvania.

GREETINGS:

The following letter has been received from the Grand Secretary of the Sovereign Grand Lodge:

"Every American citizen knows, or should know, that there has been an advance of about 60% in the cost of GOLD. Obviously this increase in GOLD has tremendously affected the cost and value of the Jewels furnished by the S. G. L. All bids for Jewels submitted to the S. G. L. and opened in June, 1933, were submitted with a provision included that in case of the increased cost of GOLD the manufacturers would increase the price of Jewels to the S. G. L. accordingly. That being the case, the Committee on Printing Supplies in their report to the S. G. L. (see last paragraph on page 220, Journal 1933) recommended that the Committee be given authority to revise the selling price to Jurisdictions whenever it became necessary; this recommendation along with the remainder of the report was adopted by the S. G. L. In the judgment of the Committee, we have now reached the point where it becomes necessary to suspend the present printed price list and issue a REVISED SELLING PRICE LIST to Jurisdictions, subject to change from time to

time as the market for gold rises or falls. Some of the Jewels at the price now furnished are furnished at a loss to the Sovereign Grand Lodge.

Since November 1, 1933, the S. G. L. has been absorbing this increased cost, but has reached the point where it cannot continue to do so longer; therefore, ALL JEWELS, AFTER RECEIPT OF THIS NOTICE, WILL BE CHARGED IN ACCORDANCE WITH THE PRICE LIST ENCLOSED HEREWITH. Please take notice of this change and be governed accordingly."

We are under the necessity, therefore, of revising our price list for supplies. On and after the above date prices will be as indicated below:

CONCLUSION

The year past has had its trials and its pleasures. Among the greatest of its pleasures has been that of enjoying the companionship of the Grand Master. Untiring in his efforts to give Pennsylvania Odd Fellowship his best, he has done just that and we are certain that he has accomplished much. We desire to express our appreciation of his cooperation, his friendliness and his true spirit of brotherhood.

We are quite certain that each of the several Grand Lodge Officers has contributed his full share in advancing the interests of our Order. Our office force has been loyal in their individual efforts to promptly and efficiently carry on the detail work necessary for the proper conducting of our office. Much additional work was occasioned by the failure of secretaries to fill out reports properly and because of additional correspondence relative to Per Capita Tax collection.

The Deputy Grand Master and the Grand Warden have rendered to the Order exceptional service and we desire to pledge to them our best efforts toward making their respective terms a success.

Frank Shannon

Grand Secretary.

Fred C. Hanyen, P. G. M., Grand Treasurer, presented his report, which was referred as per Resolution of the Grand Lodge.

Grand Treasurer.

The Grand Representatives presented their report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 7

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge, I. O. O. F., of Pennsylvania.

SIRS AND BROTHERS:

The Grand Representatives of Sovereign Grand Lodge have the honor of submitting the following report:

Springfield, Illinois, hallowed by memories and traditions of Abraham Lincoln, furnished an appropriate historical background for the 109th annual session of the Sovereign Grand Lodge, held September 16th to 22nd.

It has been thirty-six years since the last meeting was held in that city, in 1897. In 1871, the body met in Chicago. This is the third time the sessions have been held in the State of Illinois.

The records show that many of our most prominent men were in attendance at the Springfield session in 1897. Such names as Carleton, Pinkerton, Saunders, Conway, Wright, Nolen, Nicholson, Kuykendall, Busbee, Campbell, Keller and Daniel appear on its roll of attendants. Only five persons, Representatives then, are now members of the Grand Body. C. D. Rinehart, Past Grand Sire, of Florida, attended for the first time and served on the Committee on Drawing of Seats, and W. H. Cox, Grand Treasurer, of Kentucky, who was on the Finance Committee. Grand Secretary Bruce of Oklahoma, H. C. Stevens of Kansas, and R. H. Hollywood of Indiana, were also in attendance at the session.

One of the prominent subjects under debate at the 1933 session was the matter of changing the constitution so that sessions of the S. G. L. would be held biennially instead of annually. At the Springfield session in 1897, this same subject was introduced, and was defeated at the 1898 session by a vote of 112 to 66. This year the proposition was again defeated.

The sessions of 1933 will go on record as among the most important. In spite of the existing depression, the attendance was almost equal to other years, and the important matters dealt with brought forth lively debates, but the finest spirit was exemplified throughout. The great problem this year was to budget so that expenditures could be kept within estimated revenue, and it is believed that satisfactory results were obtained. Cheering news poured in from every jurisdiction, and a general revival of interest in the Order is confidently expected.

The entertainment provided for the visitors by the brothers and sisters of Springfield was all that could have been desired, and greatly appreciated by all.

In addition to the Officers and Representatives to the S. G. L. there were Representatives at the session from every branch of the Order, the annual meeting of the General Military Council, the Association of Rebekah Assemblies, Ladies' Auxiliary P. M., Odd Fellows Press Association, Grand Secretaries and Grand Scribes Association, and the Past Grand Representatives Association being held at this time.

The business sessions of the Sovereign Grand Lodge began on Monday and continued through the week until Friday afternoon.

James H. Davis of Tacoma, Washington, was elected Grand Sire. The only contest in the election was for the office for Deputy Grand Sire, which resulted in the election of William A. Pittenger of Duluth, Minnesota.

During the week many social functions were held, which were enjoyed by the Representatives and visitors. On their way to the session, many of those attending visited the Century of Progress at Chicago and participated in Odd Fellows Day at the Exposition.

Thursday evening, September 14, at 6:30, a banquet was held at the Palmer House, in Chicago. Friday, September 15, was Odd Fellows Day at the Century of Progress.

Saturday the visitors to the Century of Progress left at 11:30 A. M. for Springfield. Saturday afternoon and evening was devoted to registration of delegates and visitors.

On Sunday, religious services were held at the First M. E. Church of Springfield, at 7:30 P. M., attended by the officers and members of the S. G. L., who listened to a sermon by Rev. C. F. Jorden.

Monday was the opening session of the S. G. L., with services in the Centennial Hall, followed by the opening business sessions of all branches. At 8:30 Monday evening a reception to the Grand Sire and Associate Officers of the S. G. L. and the Officers of the Association of Rebekah Assemblies and General Military Council was held at the Abraham Lincoln Hotel.

Regular business sessions of the bodies were held Tuesday morning, and at 2:30 in the afternoon an Educational Foundation program was held. In the evening there was degree work of all branches of the Order.

Wednesday morning, the 19th, there were regular business sessions, and at 2:30 in the afternoon a pilgrimage to Lincoln's tomb, where an address was delivered by Governor Horner of Illinois.

Business sessions continued all day Thursday, and at 6:00 o'clock the annual banquet of the Sovereign Grand Lodge was held at the Abraham Lincoln Hotel. At 8:30 there was degree work in all branches of the Order. The sessions of the several bodies closed on Friday.

OPENING EXERCISES

The opening exercises of the Sovereign Grand Lodge took place in the Centennial Hall at 9:00 o'clock, presided over by A. L. Yantis of Illinois.

S. G. L. SESSION

The business sessions of the S. G. L. were held in the House of Representatives, in the State Capitol.

The following Past Grand Sires were in attendance: John B. Cockrum, Indianapolis, Indiana; J. B. A. Robertson, Oklahoma City, Oklahoma; E. W. Bradford, Washington, D. C.; Frank Martin, Boise, Idaho; M. M. Logan, Bowling Green, Kentucky; Herbert Thompson, Williamston, Michigan; C. D. Rinehart, Jacksonville, Florida; Joseph Powley, Toronto, Ontario.

EXTRACTS FROM GRAND SIRE'S REPORT

CONDITION OF THE ORDER

It is needless to say that the Grand Sire and Deputy Grand Sire have discussed ways and means, made plans and fully agreed upon a course of administering the work of the Order, so far as the Sovereign Grand Lodge is concerned. Every Grand Jurisdiction on the North American Continent has been visited by these two Officers and the District Deputy Grand Sires. The Grand Sire has had work, conferences and meetings in more than 50 of the Grand Jurisdictions, and the Deputy Grand Sire has visited many. We have received reports regarding conferences and meetings held in Jurisdictions by District Deputy Grand Sires, and these reports, our own work and the facts gathered from many sources seem to clearly indicate that the Officers of all Grand and Subordinate bodies, in each and all branches of the Order, are of a very high class, truly interested and devoted to their work, and that more plans for good work and more definite undertakings for the advancement of the Order are under way than ever before. Though our membership has not increased, yet the condition of the Fraternity throughout the country seems to be healthy, and the best conditions seem to exist in rural and small town communities. However, some of our very finest subordinate bodies are

found in our great cities. Some of the Grand Jurisdictions may show a net gain at the end of 1933, and if the present interest and organized efforts keep going and working, we may expect several of the Jurisdictions to show net gains in membership by the end of 1934. The disposition on the part of Grand Officers in some of the Grand Jurisdictions to forego Grand Lodge Sessions may have a retarding effect on the best work of the Order. In these States we can hardly hope to see any net gains soon. The Grand Sire and other Grand Officers have tried to persuade all Jurisdictions to hold their regular annual sessions if possible, where such conditions really exist that would make it impossible for the Grand Body to pay mileage and per diem, some sessions have been held where Representatives claimed no mileage and per diem, and real devotion to the Order would require this.

If we have correct information, thousands of members have been reinstated and many subordinate lodges reclaimed, but actual business done through the Grand Secretary's office would indicate that the Order is far from normal, if we consider how it moved between 1918 and 1925. These years, however, were abnormal, and the best condition of our Fraternity does not demand a repetition of the manner of moving then and during that time.

LEADERSHIP BETTER

Back in 1928, Grand Sire Merrill spoke of leadership in the Sovereign Grand Lodge and suggested that legislation is of great importance, but real leadership may accomplish more in the realm of the general work of the Order in the several Jurisdictions than it could hope to accomplish by mere means of legislation in the Sovereign Body or in any of the Grand Jurisdictions. On the part of some, the past six or eight years, there has been a determined effort to create a more friendly relationship between the Sovereign Grand Lodge and the several Grand Jurisdictions, and we are hopeful that this Body shall be of greater value to all of the Jurisdictions in the future. If the Sovereign Grand Lodge through its Officers may be able to cause each Grand Jurisdiction to adopt some wholesome plan of work, and so organize and district each Jurisdiction, that every nook and corner may be reached, and exactly understood by the Grand Masters, Grand Patriarchs and other Executive Officers, we believe the general condition of the Order must move up and forward. This Body should be specially interested in the welfare and advancement of each Grand Jurisdiction. Every Officer of this Body should be alert to do everything possible that may advance the work in his State. It may look a little discouraging at times, but there is no place to quit. If we say we are willing to surrender then we admit we are whipped. If some temporary difficulties discourage us and the way ahead is not exactly clear, better organization, a more determined effort and a sincere hope to see this Order accomplish more in the world, will enable us to find a way out. We need more workers, more brothers deeply interested in accomplishing the great purposes of the Order, and this Body should give serious thought to persuading and inspiring our membership to do everything possible to develop the highest type of leadership in all Grand Bodies and in the subordinate lodges.

We must give more attention to the work of the subordinate bodies in all branches of the Order. Leadership here is fine, leadership in the several Grand Bodies will surely accomplish much, but the Order lives or dies in the subordinate lodges, and there we must have a real devoted and intelligent leadership. Grand Representatives should confer with Grand Masters, Grand Patriarchs and other Executive Officers of Grand Bodies and endeavor to induce these executive heads to prepare and pass some wholesome program to the subordinate lodges in the Jurisdiction. The

Sovereign Grand Lodge should be sympathetic through all of its Officers down through all executive heads to the very doors of the subordinate lodges.

FINANCES

Many have tried to suggest that the present condition of the Order, relating to loss of membership, has been brought about because conditions have been so poor that our members did not have the money to continue in good standing. Probably 20 per cent of our losses in membership has been occasioned by fine members losing their employment, but the need of money did not occasion the 80 per cent of our losses in membership. People generally have had the money to buy what they want, and millions and millions have been spent throughout the land for thousands of things less valuable than membership in a real Odd Fellows lodge. A different time, a new age, a changed mode of living, have had the greatest influence on those who have dropped out. Untold millions are spent on the luxuries of life, and yet many men have insisted they could not pay their dues in the local lodge. In some cases they could not; but in the great majority, they simply did not and would not. Every Grand Lodge and every subordinate body should give proper thinking regarding the money needed, and it appears this is being done more now than ever in the past. We have many, many rich lodges throughout the land, but there are thousands that should give more attention to financing their undertakings.

MORE DEFINITE OBJECTIVES

To visit the sick, relieve distress, bury the dead and educate orphan children were among the first defined duties of Odd Fellows, and constituted the first real objectives of our Order. In these days when a brother or sister falls sick, he or she is carted off to a hospital. Thousands of agencies relieve distress, and seldom do we get the chance to bury a brother. The undertaker will not allow his business to be infringed by brothers digging a grave, preparing a body and laying it to rest. We live in a different world now from that in which Odd Fellowship worked a hundred years ago. The things we did then are now often done by others. I would like to suggest that we make three things definite objectives, and they are:

A. Give more time, money and attention to the great and good work done in our Homes. Let our greatest efforts be in caring for our aged brothers and sisters and educating the sons and daughters of deceased Odd Fellows.

B. The Educational Foundation work furnishes a great opportunity for accomplishing much good in the world, and if we will make the effort we can bring valuable and lasting returns to the good name of our Order and its great work on this continent. I just hope we will do it.

C. Give direct attention to the needs of all worthy brothers and sisters in each locality. Not simply relief, but a friendly and helpful attention and service each day through the year.

ODD FELLOWS HOMES

After visiting many Homes, studying reports of Past Grand Sires, relating to these Homes, and trying to find out exactly about the real condition of some of them, a few statements may not be out of place.

Past Grand Sire Powley, Rep. Brueck, of California, and Rep. Hearn, of Maryland, constitute a special Committee on Investigating all Homes and may be able to report at this session.

One thing is certain, in connection with the administration of the affairs of these Homes, most of them at least, more attention should be given to the overhead expense and a more definite plan of supervision and management. It is a great work, where we undertake to educate children and to care for older brothers and sisters, but there is nothing in connection with this great undertaking that would justify little attention, loose rules and a lack of proper financial understanding.

These Homes should be a source of great satisfaction to the membership in each Jurisdiction, and the greater work done should give all the more help to our brothers and greater pleasure and satisfaction to all of us. In some Jurisdictions they are the only thing holding the general organization together, and we should make them real objectives. Loose spending is worse than foolishness, but within the needs of any Jurisdiction there should be no quarreling about sufficient money to maintain the Homes in the best possible way. Why are we in the world, why do we profess to relieve distress and educate the sons and daughters of deceased Odd Fellows if we must always be thinking and saying the undertaking costs too much? There is nothing to it; we spend ten times as much for other things without getting any return, as we spend in maintaining these Homes.

If the special committee may be able to report at this session, it is hoped that some extra help may be suggested to the various Jurisdictions in supporting and enlarging these Homes. I am not undertaking to make any specific recommendations, since the special committee will be expected to make all needed recommendations in its report. Any subordinate lodge that surrenders a charter rather than contribute to the support of one of our Homes certainly fails to give proper consideration to one of the greatest works of our Order. We just must not neglect them. We should make them a special object of our work.

NEW LEGISLATION ADOPTED

Section 56, Article 1, Code of General Laws, was amended to read as follows:

Section 56. Funeral Expense. Subordinate bodies may be required whenever a brother who is in good standing shall die and his funeral expenses shall be paid either out of the estate of the deceased brother or by a relative or friend, or other person, or by the Odd Fellows Home in which the deceased was a resident at the time of his death, to provide and pay a funeral expense, the amount of which may be fixed by the Grand Body having jurisdiction by general law, or in the absence of such a law, by subordinate bodies by by-law, to the estate of the deceased or to the person or persons, or to the Odd Fellows Home, who shall incur such expense. But nothing herein shall be construed to require the payment of a funeral expense to any other corporation, society, or organization of which the deceased was a member, which shall have paid the funeral expenses and shall have incurred the same by reason of any obligation it owed to the deceased by virtue of his membership in such organization, nor shall any obligation rest upon a subordinate body to pay a funeral expense to the government where the deceased brother was buried at government expense.

Section 273A was continued in force until December 31, 1934.

Section 55, Article 1, Code of General Laws, was amended to read as follows:

Section 55. Funeral Benefits. Subordinate bodies may be required to provide and pay to the widow, or to the orphans under 21 years of age, or to the dependent relative or relations upon whom the deceased was dependent at the time of his death, or to the Odd Fellows Home where the deceased was a resident at the time of his death, a funeral benefit, the amount of which may be fixed by the Grand Body having jurisdiction by general law applicable alike to all lodges, within its jurisdiction, or, in the absence of such a law, by subordinate bodies by by-law, provided, that nothing herein contained shall be construed to require the payment of a funeral benefit by a subordinate body to the beneficiaries of a member who was not in good standing at the time of his death or to the beneficiaries of one whose death was caused by his own intemperance or immoral conduct; provided, further, no lodge or encampment shall be required to pay benefits to a widow who shall remarry or who

has not maintained a good character, or to a widow who had permanently separated from her husband either voluntarily or by decree of the court.

Section 507, Code of General Laws, as adopted at the session of 1932, was repealed and a new Section adopted as follows:

Section 507. Non-Contributing Membership. A non-contributing *beneficial* member of the Subordinate Lodge, Encampment or member of a Rebekah Lodge is a brother or sister who has reached the age of 70 years, and who has been a contributing member of a Subordinate Lodge or Encampment or a member of a Rebekah Lodge for 30 consecutive years. Whenever a brother or sister shall have reached the age of 70 years and shall have been a contributing member of a Subordinate Lodge or Encampment or a member of a Rebekah Lodge for 30 consecutive years and shall from any cause be unable to pay dues, he or she may be transferred to the Non-Contributing Membership roll upon his or her application therefor and affirmative majority vote of such Lodge, or Encampment, or Rebekah Lodge, and thereafter he or she shall be considered and be a Non-Contributing Member of the Order and shall thereafter retain all of the rights and privileges theretofore enjoyed as an active member of the Order. When a member has become 60 years of age and has been a contributing member of a Subordinate Lodge or Encampment or a member of a Rebekah Lodge for 25 consecutive years, his or her name shall not be dropped from the roll by reason of being more than one year in arrears for dues or other charges, and from any cause unable to pay dues, but he or she shall, on affirmative majority vote of such Lodge, Encampment or Rebekah Lodge, be retained and considered as a non-contributing, non-beneficial member of the Order and as such be entitled to the pass word and fellowship of such Lodge, Encampment or Rebekah Lodge, and all of the privileges of non-beneficial members of the Order, and shall not be required to pay any dues. When a member of a Subordinate Lodge, Encampment, or Rebekah Lodge has become 60 years of age and has paid his or her dues for 25 consecutive years and is in good standing and shall for any cause become unable to pay dues, he or she may also obtain all the rights and privileges of a non-contributing, non-beneficial member as provided by this section upon making written application therefor, and upon the affirmative majority vote of such Lodge, Encampment or Rebekah Lodge. The Subordinate Lodge, Encampment or Rebekah Lodge shall not be compelled to pay any per capita tax upon any of its beneficial members or non-contributing non-beneficial members provided for by this section, but Grand Bodies may amend the Constitutions of their subordinate bodies to provide in their by-laws that any member becoming such non-contributing non-beneficial member may pay or continue to pay such Lodge or Encampment or Rebekah Lodge such sums as may be assessed or levied against such Lodge or Encampment or Rebekah Lodge for the support and maintenance of homes and orphanages, and thereby retain and continue to be entitled to all rights and privileges as to admission to homes and orphanages as that held by beneficial members.

Section 254.2, Code of General Laws, was amended to read as follows:

Section 254.2. Unlawful Use. When in the judgment of a Grand Body it will be to the interest of all concerned to allow a subordinate body or bodies to organize a baseball, bowling, football, golf or similar worthy athletic team or league of such teams, or choral society, glee club, orchestra or like musical organizations, composed entirely of members of the Order, it may authorize its Grand Master or Grand Patriarch, after satisfying himself that nothing will be done or attempted to reflect on the good name of the Order, or result in a violation of its laws, to grant dispensation permitting the use of the name of the Order for

the purpose. The provisions of this section shall also apply to, and include subordinate bodies under immediate jurisdiction of the Sovereign Grand Lodge, and such subordinate bodies are hereby permitted to organize such teams, clubs, or organizations, provided that permission so to do shall first be obtained from the Grand Sire.

Section 338, Code of General Laws, was amended to read as follows:

Section 338. To Whom Funeral Honors Accorded. The funeral honors may be accorded to all members of the Order without regard to their financial standing upon the books of their lodge, so long as they have not been suspended, and to members against whom undetermined charges may be pending, but may not be accorded to one who has been suspended or expelled for cause and not restored to membership.

Section 180A, P. M. Code, was amended by adding the following paragraphs:

4. An Auxiliary shall grant a letter of Withdrawal, upon application, to a member of its Auxiliary whose dues are paid to date and upon the payment of such fee as its By-Laws may provide, but not to exceed fifty cents. Such letter of Withdrawal shall be written by the Secretary of the Auxiliary and signed by its President. Such letter of Withdrawal shall entitle the holder to visit any Auxiliary, and may be used to regain membership therein, or in a new or another Auxiliary upon proper application showing proper qualification and upon the same regulation as that required for a new application.

5. The membership of an Auxiliary of a Sister of a Rebekah Lodge who receives a Withdrawal Card from her Rebekah Lodge, shall be cancelled after a period of one year has elapsed, unless the Rebekah Withdrawal Card has been previously deposited in a Rebekah Lodge.

Section 622 (Paragraph 3), Code of General Laws, was amended to read as follows:

3. A member who became non-affiliated by suspension or otherwise is to be held as in continuous membership from the date of his reinstatement unless he had been in continuous membership 25 years or more prior to his suspension or loss of membership.

Section 963, of the Code of General Laws, was amended to read as follows:

Section 963. *Interpretation of Terms.* In determining the meaning of the term "Intoxicating Liquors," as used in these laws, the decisions of the Courts in construing the laws of the land applicable thereto shall be followed: *Provided* that no liquor shall be held to be intoxicating in fact which has been declared by statute law of the Grand Jurisdiction where sold to be non-intoxicating, and *provided further*, that no person shall be declared to be a bartender or saloonkeeper unless such person is engaged in selling or serving intoxicating liquors to be consumed on the premises where sold.

Section 208, P. M. Code, was amended to read as follows:

Section 208. All Officers and Chevaliers, except the General Commanding and Officers of his staff above the rank of Lieutenant-Colonel, shall wear the name of the Department on each side of the collar one inch back from the center opening and midway in height in one-half inch white metal block capital letters. Where the name of the Department shall exceed five letters the abbreviations as printed in the National Postal Guide shall be used.

Retired Officers, in addition to the uniform of the office past, shall wear on the fatigue coat collar, just in the rear of the name of the Department, a gold embroidered script letter "R," which must be three-fourths inch in height, and placed vertically on collar as above specified as per pattern of design on file at army headquarters.

Section 225 (4th Paragraph), P. M. Code, was amended to read as follows:

"For Line Officers. The same, except the face mountings, shall be one and three-fourths inches wide, gold and scarlet interwoven lace, four rows of gold and three rows of scarlet between, and having three gold-plated barrel chains, hung from gold-plated metal emblematic slides, instead of slings."

Section 226 (4th Paragraph), P. M. Code, was amended to read as follows:

"For General Field and Staff Officers. Of black leather one and three-fourths inches wide, to be worn underneath the fatigue coat, with two detachable slings, one long and one short, of the same material, with gold-plated hook at top of sling on which to hang the sword; gold-plated swivel snap at the lower end of each sling to fasten into rings on the upper and middle mount of scabbard; belt to be fastened with a gold-plated emblematic buckle bearing the letters 'P. M.', and raised crown upon crossed crook and sword."

Section 118, P. M. Code, was amended to read as follows:

Section 118. Retired Commission Shall Be Procured Within Ninety Days. Any and all officers entitled to retired commissions shall procure the same within ninety days after the expiration of their active commissions, and shall wear the letter "R" as per present regulations. Failure so to do shall forfeit their rank.

FRATERNAL PRESS

Too much credit cannot be given the various fraternal publications published in the interest of Odd Fellowship.

DECISIONS APPROVED

DECISION No. 1.

This decision, a very lengthy one, concerned the interpretation of Section 507, of the Code of General Laws adopted in 1932, relating to Non-Contributing Members. Due to the fact that a new section in lieu

of the one in question, was adopted at this Session, we do not quote the decision in full.

DECISION No. 2.

This decision merely concerns Quasi-Independent Jurisdictions.

DECISION No. 3.

This decision concerned legislation passed in 1932, giving the Honors of the Order to Department and Past Department Commanders. New legislation enacted at this Session corrects error.

DECISION No. 4 (WISCONSIN.)

Statements of Facts.—A brother joined our Order during Federal prohibition days. He now makes application to sell beer at a saloon or a tavern, claiming 3.2 per cent. beer is not intoxicating. The brewers state that 3.2 per cent. beer is intoxicating. Would this brother be violating our laws and be ineligible to continue membership in our Order?

Answer.—Yes, Section 484, S. G. L. Code.

DECISION No. 5 (MARYLAND AND MICHIGAN).

Statement.—Inquiries have been received regarding renting the lower part of Odd Fellow Halls in which so-called 3.2 per cent. beer may be kept and sold. In particular a subordinate lodge rents a room for a lunch room and general store, and wishes to know if the 3.2 per cent. beer authorized for sale by the government can be sold in this lunch room on the ground floor of the building owned by the lodge.

Question.—Is it lawful for a subordinate lodge to allow its tenant to sell 3.2 per cent. as legalized by our government on or in the property of the lodge?

Answer.—"No, if to be drunk on the premises." Section 855, S. G. L. Code.

Question.—Is it permissible by a lodge to serve 3.2 per cent. beer at any Odd Fellows entertainment, gathering, celebration, festival or other meeting?

Answer.—"No." Section 479, S. G. L. Code.

DECISION No. 6 (MARYLAND.)

Statement of Facts.—A man totally blind was elected to and received the degrees of a subordinate lodge. His infirmity was known to the lodge and he was elected in violation of Section 482 of the Code, but now according to Section 543 of the Code he is a member and entitled to all the rights and privileges of full membership, etc. This brother, who is otherwise qualified, was elected to the office of Vice Grand in his subordinate lodge.

Question.—Is this brother eligible to hold the office of Vice Grand, and will he be eligible to subsequently hold the office of Noble Grand?

Answer.—Yes.

DECISION No. 7.

This decision applied only to the Maritime Provinces.

A bill was introduced to permit of dual membership, but was defeated.

A bill to allow smoking in the Lodge or Encampment room when no degree work was going on was defeated.

The Session of 1934 will be held in Toronto, Canada.

The Special Committee on Homes, of which P. G. Sire Powley was chairman, made an elaborate report which should be read by everyone interested in our Homes. The Committee was continued for another year.

Those in attendance as Representatives or visitors from Pennsylvania to Springfield included: Grand Representative Wm. L. Heiston and Mrs. Heiston; Grand Representative Samuel S. Bowen and Mrs. Bowen; Grand Representative John N. Mark and Mrs. Mark; Grand Representative Webster Grim; Grand Scribe George H. Banes, Grand Secretary Frank Shannon, and Mr. and Mrs. A. G. Eichholtz, Superintendent and Matron of the Grove City Home.

Your Trustees ask for a continuation of the appropriation of thirty-five hundred ($3,500.00) dollars, or as much thereof as may be required for the maintenance and current expenses of the Grand Lodge office building, for the ensuing year.

The Representative to the Odd Fellows' Home of Western Pennsylvania, at Meadville, presented his report which was referred as per the Resolution of the Grand Lodge.

REPORT No. 13

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

I am very much pleased to send in my report as Grand Lodge Representative to the Meadville Home for the year 1933.

I am particularly pleased with the cooperation that we have had from the Odd Fellows and their good wives in this district and believe there has been a keener and deeper sense of interest shown toward the home than at any time in my experience, which not only shows the support of the home, but shows the building up of the interest in Odd Fellowship.

During the year a large part of the interior of the Home, particularly the small boys' and small girls' dormitories, have been painted and the lower floors and bedroom of the larger boys department, center hall, which practically completed the entire lower and upper floors. There has been a great deal done in connection with the lawns and beautifying the shrubbery at the home.

Also, we are very thankful to say that the general health of the children has been exceptionally good.

Everything has been done to cut down the expense of the home and to reduce it to the lowest possible operating figure. The saving that has been made in the operation of the Home together with the liberal donations made to it show materially in the reduced cost of operation of the Home. The Directors have also been able to reduce their loan at the bank, which under the depressing times is very complimentary.

My association with the Directors in the past here has been extremely pleasant and I have been given every cooperation that could be given to any person and it has made my work very pleasant, and the earnest cooperation of the personnel of the Directors, who have only one interest in mind and that is for the benefit of the Home, which has been very evident during the entire year.

It is by their diligent efforts joined with the untiring efforts of the Superintendent's wife and himself, whose interest for the children has always been held foremost in their minds that the atmosphere around the home is more like one large family than of any home, that I have ever had the pleasure of attending.

Very truly yours,

FRANKLIN B. HOSBACH,
Representative.

The Representative to the Home for Orphans of Odd Fellows of Pennsylvania, at Philadelphia, presented his report which was referred as per the Resolution of the Grand Lodge.

REPORT No. 14

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

Under the leadership of President Hallman the work of the Home for Orphans of Odd Fellows of Pennsylvania, at Philadelphia, for the past year moved along smoothly and efficiently. The Board of Directors, and the employees of the Home have fulfilled their duties faithfully, and the results have been very gratifying.

The budget system adopted in January, 1933, worked well, and at the end of the year it was found that the committees had co-operated, and practically lived within their allotment although the amount alloted to them was less than the preceding year. No impairment in the operation of the Home was apparent. Due to necessary adjustments in the budget for the year beginning January 1, 1934, a further curtailment in the amounts alloted to the Committees was necessary.

The Sunday afternoon services continue to be a feature. The various branches of the Order accept their assignment to conduct these services, and thus bring to the Home many who otherwise would not visit it.

The 51st anniversary of the Home was observed on Saturday evening, March 31, 1934, with a dinner, an entertainment by the children of the Home and a dance. Nearly two hundred persons were present. Grand Master, Norval R. Daugherty, honored the occasion with his presence, and delivered a fine address.

The scholastic work of the children continues to be excellent. The regularity in their attendance at school, both in the grades and the High Schools; the progress made in their studies; and the interest taken by them in their musical instruction, both vocal and instrumental, are to be commended. The Committee on Education under whose direction these activities are supervised, devote much time to them.

During the year the children furnished the musical entertainment at a number of Odd Fellows' Gatherings, where they were well received. They were also the guests of the Past Grands Association of South Eastern District of Pennsylvania at the annual picnic at Willow Grove; and also enjoyed outings to Bethlehem as the guests of Keystone Lodge and Star Encampment; and to Reading sponsored by Vigilance Lodge. No effort is spared to make their residence in the Home pleasant, and as far from institutional life as is possible.

One of the boys was stricken with pneumonia in the winter but the careful and continuous care given him by the matron—Mrs. Helen Fatzinger—brought him around, although his life hung in the balance for several days. He is now in good health again.

During an epidemic of measles which prevailed in Philadelphia early this year, many of the children were affected but all recovered with no serious results following.

The fiscal year of the Home ended December 31, 1933. During the year three (3) children were admitted, and five (5) released.

The present number of residents is: Girls—27, Boys—33, Total—60.

The Representative to the Home for Widows and Orphans of Odd Fellows of Pennsylvania at Pittsburgh, presented his report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 15

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

As your Representative to the Home for the Widows and Orphans of Odd Fellows located in Pittsburgh, I very respectfully submit the following report for your consideration.

During the year I have been able to attend all sessions but one, and have made numerous other visits and I can readily assert that the Home continues to be managed in a highly efficient manner through the able methods of the Matron, Mrs. Iva L. Doutt, and the unflagging efforts of an highly interested Board of Directors, headed by an extremely able President, Mr. William H. Werner, who is very efficiently assisted by an executive Board of Officers of long service in this work.

The President, Mr. William H. Werner, has for the past few years devoted all of his time to this work, being retired from his regular employment, and it is due to his devotion and Fatherly interest that this Home has achieved the wonderful reputation it now bears, being considered the finest home in the State for the care of children, and the children themselves accord to their President, the endearing name of "Daddy Werner," who is in all respects a loving Father to all, and one who daily advertises in glowing terms, his big family of children.

"A little child shall lead them," and has lead the management of this Home to exert every effort to maintain the Home as a model of cleanliness and discipline and a "Monument to Odd Fellowship" whose doors are always open and should continue to remain open in the interest of those who succor the needy when they cry, the poor also, and them that have no helper.

There are at present 44 boys and 48 girls in the Home, a total of 92. This is 11 less than last year and due to this reduction and to the decreased appropriation from the Grand Lodge together with the increased cost of foodstuffs the cost per child has increased some over last year's figures, now being about $6.21 per child, but notwithstanding the above facts this Home has lived within its appropriation and has a small reserve for future needs.

The health of the children has been extremely good, this no doubt has been due to the careful supervision of the Matron and the services of Doctors W. J. K. Snyder and his nephew, Richard Snyder who continue to devote their time gratuitously to the children of this Home, and for which service, I believe a letter from the Grand Master conveying the appreciation of Pennsylvania Odd Fellowship would be a fitting recognition.

The education of the children continues to be a question of absorbing interest, besides regular attendance at the John Morrow Public School and the Oliver High School, Manual Training, Music, Sewing, and Domestic Science classes are taught in the Home and each child is expected to maintain passing grades in this work and the ones especially proficient are rewarded with prizes, donated by personal contributions of the Board of Directors.

The Christian Endeavor meetings held each Sabbath afternoon in the chapel and presided over by the older children in the Home, who are frequently assisted by Preachers and choirs from different churches in

the Pittsburgh district are highly interesting and mean much in the training of the children; they also attend Sabbath School and church services at the Eleventh U. P. Church.

The orchestra has been highly received at many fraternal gatherings and are producing splendid results under the able management of Brother Penfield.

The Girls' double quartette have been called upon to entertain at several churches and the boys' minstrel continues to be in demand at lodge and fraternal meetings. Brother Penfield is also directing the boys minstrel and leading the vocal training at the Home.

The Easter treat and the entertainment put on by the different Lodges and Encampments are gratefully received by the children and lighten the burden that falls on the Matron and the Executive Committee in relieving them of the added task of keeping the children entertained and happy.

During the past year the Home was honored by the following distinguished visitors:

Grand Master Brother Norval R. Daughterty and his estimable wife.
Deputy Grand Master Brother G. Will Henry.
Grand Warden Brother Clifford W. Fenton.
Grand Secretary Brother Frank Shannon, P. G. M.
Grand Guardian Brother John Price.
Grand Representative Brother William L. Heiston, P. G. P.
President of Rebekah Assembly, Miss Frances Walker.
Vice-President Rebekah Assembly, Mrs. Garnet Drake.
Treasurer Rebekah Assembly, Mrs. Elva G. Morrow.
Secretary Rebekah Assembly, Mrs. Martha R. Parry.

The Annual Reception and Donation Days are high spots in the Home. The Annual Picnic is one that makes the whole world smile, at least that is how the children look upon it. Brother David Nicklaus has been Chairman of this annual affair so long that arrangements for such an affair become second nature with him and only mean one more day spent in the interest of the Home and he has been spending the past 25 years in the same manner.

Christmas Day is one long to be remembered in the busy life of the children, as the Christmas Fund makes possible many joyous hours and fosters the belief that Odd Fellowship is a Father to the dear little ones under its banner.

"The quality of thy mercy is not strained
It droppeth as the gentle dew from Heaven."
May the manna of Odd Fellowship continue to fall
On those who need the loving care and the sanctity
Of the home and Mother.

Brother Rev. Walter K. Doutt, Superintendent of the Home, was suddenly stricken with a serious illness and passed away on Friday morning, January 19, 1934. He had been Superintendent for the past 5 years and due to his enterprise and Fatherly care the Home had progressed to the point where it was regarded as the finest monument that Odd Fellowship has reared in Pennsylvania. He was born at Rochester, Pa., 50 years ago and had spent 17 years in the Methodist Ministry in the West Virginia Conference. His wife is now the Matron and is carrying on in the same efficient manner that has characterized the work in the past. May the blessings of Almighty God rest on her and abide with her till her work is ended, so that God in His Almighty providence permit her to join the loved one gone before. May God's abiding faith rest with her family and lighten the burden for them in the loss of their wonderful father.

"Yea, though I walk thro' death's dark vale,
Yet will I fear no ill,
For Thou art with me, and thy rod
And staff me comfort still."

The Annual meeting again was the place of much harmony and the election of all the retiring Directors to again serve as Directors is very conclusive proof that the work of this Board is rendered in a very acceptable manner.

In closing my report I wish to express my appreciation to the Matron, the President, the Executive Committee and the entire Board of Directors for the very courteous treatment I have received and their heartfelt and willing cooperation.

May I take this method to personally thank our Grand Master, Brother Norval R. Daugherty, for giving me the opportunity of associating with Sisters and Brothers who seemingly have taken upon themselves this worthy work.

Respectfully and Fraternally submitted,

D. S. JOHNSON,
Representative.

The Representative to the Odd Fellows' Orphans' Home of Central Pennsylvania, at Sunbury presented his report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 16

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

As your representative to the Home at Sunbury, known as the Odd Fellows' Orphans' Home of Central Pennsylvania, I herewith present the following report:

One of the greatest achievements of Odd Fellowship, in my humble estimation, has been the founding of our Orphans' Homes and I firmly believe that they are our greatest asset for building up our membership, for we know that should misfortune befall any of our Brothers and they be taken to their Eternal Rest, that provision has been made to care for and to educate their children and start them out fitted to take their places in the world along side those more fortunate in having the parental care of father and mother. I am more than ever convinced that should ever any attempt be made to in any way try to dispense with any of our Orphans' Homes, it would be a calamity to our already decreasing membership, for they are the pride of every true Odd Fellow and they are accomplishing a splendid work which cannot be credited in dollars and cents. What is money compared with the helping of these our children, for have we not all taken upon ourselves the responsiblity of taking care of them? We have promised to feed and educate them and I feel, personally, they are the corner stone of Odd Fellowship. Take our Homes away and I believe the whole superstructure would crumble at this time, so let's all put our shoulders to the wheel and keep all our Homes intact. They are all doing a splendid work and if we trust in God and live up to the principles of our great and noble order, we shall continue to go on doing the splendid work.

The number of children at our Sunbury Home at this time is 148 composed of 91 boys and 57 girls. The general health of the children during the past year has been splendid, thanks to the prompt care and

attention of our Superintendent and Matron. There has been no serious sickness, nothing more than slight colds and so forth, and I feel that the greatest care is being exercised in taking care of all our children. Our children are the brightest, happiest and most contented crowd of children I ever saw, and I see them quite often as I am within easy reach of the Home and I feel that everything is going fine. The discipline at the Home is fine, both among the children and all the help, and I must congratulate our Superintendent and Matron, Brother P. G. M. Beman and Sister Beman on their splendid work during the past year. They have economized wherever they could and still carried on the work as efficiently as ever it has been carried on.

The Committee on Religious education has again done and is doing a wonderful work.

The farm this year has again provided a bountiful supply of milk, vegetables, fruits and so forth for this home, and this last year we have raised much more than usual for the use of the Home. Under the present administration it is intended to still raise more if possible, and I feel that everything is being done to get the utmost efficiency and value out of every cent we put into it. Our schools again are doing splendid work and they have a splendid corps of teachers.

Our alumni met as usual Labor Day and had a greatly enjoyed Home-coming. Thanksgiving and Christmas are both joyous times for all our children and this year, I feel, has eclipsed all previous years.

The Band and Orchestra continue to make very marked improvement, and I feel that our Home is more splendidly equipped to do all the work it is intended to do, and from my personal observations on my frequent visits to the Home I feel that the past year has been one of the best years in the History of the Home—both in the management of the Home and the results accomplished.

I wish to say that the Home has been run very economically during the past year and at a great saving. Some very needed improvements have been made, but no money has been expended only just where absolutely necessary.

The Home has its periodical fire drill and at their last drill the Home was clear of children in a little over 30 seconds after the alarm was sent in.

I want at this time to extend my hearty thanks to our Grand Master for the confidence he placed in me by appointing me his and your representative to the Home, and I have tried in my humble way to be of service to the Home and to this Grand Body, and to do my duty to the best of my ability. I want also to thank all the officials of the Home for their many courtesies they have shown me both when visiting the Home and when attending the meetings.

In conclusion I wish to thank everyone at the Home for the help given me in trying to perform my duty and I express my appreciation to our Superintendent and Matron for the courtesy extended to me by them. They have been ever ready to furnish me with all the detailed information on any subject I have desired.

May we all work for the welfare and interest of our Homes and visit them and find out the work we are doing, and may all our Homes, both Orphans and Aged, be kept intact and continue to do the work our forefathers built so wisely for us to do.

Fraternally submitted,

JOHN MORRIS,

Representative.

The Representative to the Odd Fellows' Home of Pennsylvania, at Middletown, presented his report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 17

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

As your Representative to the Odd Fellows Home of Pennsylvania, Middletown, Pennsylvania, I submit the following report:

I have attended all the regular and special meetings of the Board and the Annual Representative's Meeting held during the year 1933.

During the year there were 29 deaths in the home, 21 of whom were men and 8 women. There were 24 guests admitted during the year, making a total of 165 in the Home on December 31, 1933, of which 112 were men and 53 women.

The health of the guests has been very good during the year.

Our Medical Staff consisting of the following: Dr. H. W. George, Dr. Henry Rhoades and Dr. C. H. Schwartz, all of Middletown, Pennsylvania, have given their services all hours of the day during the year, and I wish to thank them for all they have done for our guests.

The average weekly cost per resident for the year was $5.83.

The physical condition of our home property is good, and outside of minor repairs, no improvements have been made this year.

There are religious services held at the home every Sunday afternoon and they are conducted by different Lodges and Past Grands Associations, and our own Chaplain.

The guests again had a very enjoyable Christmas, due to the untiring efforts of Mr. and Mrs. Schultz, and the assistance of the Lodges of the Eastern Home District.

I am pleased to report that the Board of Directors had their accounts audited by a Public Certified Accountant and they have been found to be correct.

During the year we suffered a great loss in the death of Director Emil Appell, who had been a director for 38 years.

In conclusion I want to thank the Officers, Directors and Mr. and Mrs. Schultz for the courtesies extended to me as Representative of the Grand Lodge of Pennsylvania to the Home.

Fraternally yours,

J. Y. LOUX,
Representative.

The Representative to the Odd Fellows' Home for the Aged and Infirm of Pennsylvania, at Grove City, presented his report, which was referred as per Resolution of the Grand Lodge.

REPORT No. 18

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

BROTHERS:

Each time I visit the Home at Grove City I am more than ever satis-

fied that it is a wonderful refuge, a loving shelter in our declining years. As I survey, I am more than ever convinced that to keep up our splendid work we must have room and more room. The crying need has never been so apparent as it is today. Our old Brothers and Sisters are pleading for some place to lay their weary heads. Through circumstances unforseen and beyond their control, many find themselves unable to go any farther in caring for their future. Knowing that a home has been provided for them, they naturally make application only to discover that there is no room for them "In the Inn." They cannot even find a manger, and saddened and disheartened they turn their weary steps away, waiting patiently as best they can, until the opportunity is afforded them. They feel that-not-far distant is the Home Eternal, where no traveller is turned from the door over which is inscribed, "Come ye that are weary and heavy laden, and I will give you rest." The plight of our aged brothers and sisters is a matter of great concern to the Board of Directors, who are unremitting in their efforts to provide ways and means to meet this great emergency. Curtailed by lack of funds, we feel like saying, what we need most is not a good five cent cigar, but a good nickel every week from every member of the home district.

Death has taken twenty from us, two sisters, eighteen brothers; nineteen have been admitted, three women, sixteen men. There are one hundred twenty-four residents, and eighteen applications, have been approved pending admission, with forty-six more on the waiting list.

The health of our residents is above the average, considering their age, and it is a matter of pride to see how they are cared for, and how contented and happy they are.

One point I must draw your attention to, the services of the Appeals Committee of the Home have not been required this year.

Our new president, Brother Hallstein is thoroughly in earnest, and deeply interested in the future of the home. He has the unanimous support of the Board, and is strenuously backed by the Manager and his loving helpmate. It is difficult to put into words just exactly the wonderful service rendered by Brother and Sister Eicholtz. "Not now, but in the coming years" you will fully realize and appreciate how much of themselves they have given to this work. They really carry out the words of the Master, "As ye would that men should do unto you, do ye, even so, to them."

"They have scattered seeds of kindness,
And have tended them with care,
They have offered cups of water
To Odd Fellows everywhere.

They have heard our Master saying,
In heaven your reward shall be.
We believe that they are praying
Lord, we do it all for thee."

To my fellow board members permit me to say that it is a distinct pleasure to meet with Brother Hallstein and his boys. I ask God's blessing on their efforts to help along this loving service.

To our Grand Master, Brother Norval Daugherty, I extend appreciative thanks for the honor conferred in appointing me as Representative to the Home.

Fraternally submitted,

FRANK R. LOWES,
Representative.

The Representative to the Rebekah Home of Pennsylvania, at Philadelphia, presented his report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 19

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

As your representative to the Rebekah Home of the Eastern District located at Philadelphia, I submit the following report:

I have attended many of the Manager's monthly meetings as well as the Representatives meetings and am particularly pleased with their manner of conducting meetings and the transaction of the proceedings and concise reports of committees.

The continued depression and financial distress through which all branches of Odd Fellowship have suffered has of course naturally affected this Home to a large extent. Owing to the reduced revenue caused by the loss of per capita tax from Rebekah Assembly the Managers and Representatives deserve great credit for having devised many ways and means of overcoming this loss and for the managing and conducting the affairs of the Home for the past year.

The different committees have functioned harmoniously and efficiently and no cause for criticism.

The receipts from Rebekah Assembly were $1,000.00 less than the previous year and $350.00 due the building fund still owing by Lodges.

There are at present 28 residents in the Home, there have been 3 deaths and 3 admissions and 9 on the waiting list, the health of all except 3 in the infirmary is very good.

There has been installed, and in use the past few months an elevator at a cost of $4,500.00. This was paid for by the efforts of the Managers and Representatives through voluntary contributions and other means without drawing on the funds of the Home. This is a wonderful tribute to the hard working Rebekahs.

The Managers of this Home and friends seem to be always planning entertainment for the residents, many interesting events are continually taking place. One very pleasing and profitable one took place on Valentine's day when Brother John Berkelbach of Nicetown Lodge, No. 848, gave a banquet to the family and Managers at the Home and after the banquet invited all over to the Chapel and as a surprise presented to the Home through his "wife Mrs. Anna L. Berkelbach" who is one of the Managers a pulpit or reading desk and chair.

Among other entertaining features were Christmas and New Year celebrations, Fourth of July picnic on the lawn, North East Odd Fellows Picnic in busses to the Park, annual visit in busses to the summer home of Brother Whitehead of Cincinnatus Lodge, No. 206, at Browns Mills, a trip in busses to Delaware Water Gap, concert by the F. M. & U. Club of Delaware County Lodges, entertainment by Ladies Auxiliary of Arcturus Lodge, entertainment by Childrens' Choir of M. E. Church of Conshohocken, Pa., entertainment by Girls of Y. M. C. A. and many other events too numerous for mention in this report all of which were greatly appreciated.

To all connected with the Home I express due appreciation of the utmost courtesy extended to me on all occasions and under all circumstances.

Fraternally submitted,

ROBERT H. SHAW,
Representative.

The Representative to the Rebekah Home, I. O. O. F., of Western Pennsylvania, at Pittsburgh, presented his report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 20

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

As your Representative on the Board of Directors of the Rebekah Home of Western Pennsylvania, I. O. O. F., I am pleased to submit the following report:

I believe the year just passed has been the most trying in the history of the Home, as regards the raising of finances to continue the work in the same thorough way it has been conducted in the past. I am well pleased to report however, that due to the untiring work of the Board of Directors of the Home, the business affairs have been conducted in such an efficient manner that the annual cost of maintenance for each Resident has been reduced $60.00, without in any way reducing the careful attention received by each of the sisters. This saving, coupled with the splendid donations by Subordinate, Rebekah Lodges and individual members, has brought us through the year with a small cash balance.

The Annual Picnic at West View Park on June 24, 1933, was the means of raising $550.00 for the Home Treasury, and the Picnic will be repeated on July 7, 1934.

Donation Day on November 16, 1933, was also the occasion of some fine gifts of fruit, jelly, and vegetables to the Residents of the Home.

The Residents and a large number of visitors were entertained at the Christmas Party on December 21, 1933, by Mrs. Daugherty, the talented wife of the Grand Master.

The usual Religious Services have been conducted at the Home during the year.

Considering the age of the Residents, the health of each is very good.

In closing, I wish to express my appreciation of the courtesies extended to me by the Officers, Directors, and Employees of the Home.

Fraternally submitted,

EUGENE L. CROW.
Representative.

The Committee on Homes presented their report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 21

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

GREETINGS:

The Committee on Homes presents the following report:

A careful inspection of each of the eight Homes was made by the entire committee, and all were found to be in excellent condition, the Buildings clean and sanitary, the Grounds well kept and the residents content and comfortable.

The farms at Sunbury, Middletown, and Grove City were in fine shape and all seemed to presage a profitable season.

We have included in our financial report a statement of the profits of each of these farms as nearly as could be done from the information furnished. There should be a system of bookkeeping devised for these accounts that would include a portion of light, heat and water bills and perhaps a part of the Superintendent's salary, where a knowledge of and superintendence of farming is a requisite, of these officials. Other items such as repairs to farm implements, farm buildings, seeds, etc., are not always mentioned in the present reports, making it difficult to accurately arrive at the exact profits or losses of the operation of the several farms.

The financial reports of the two Rebekah Homes show that the per capita tax as collected at present does not produce sufficient revenue for their support and should be increased.

The Managers of these Homes are compelled to resort to various schemes to eke out their maintenance, and the needed funds are becoming harder to raise each year. The funds raised in this manner come from the more interested Lodges and members. This additional burden should be distributed over the entire Rebekah Membership, which can only be done by the suggested increase.

In auditing the accounts of the Sunbury Orphanage, we find that there is no money in the Permanent Fund nor in the Chapel Fund.

These two funds were, at least in part, conditioned for the specific purpose indicated by the donors. In the past the management of this Home had stated that these funds were used for maintenance, with the intention of returning when the latter fund's condition made the same possible.

During the last few years their accounts seemed to indicate that this had been done. But it now appears certain that the missing funds were not so used, but that at least $16,000 and possibly more than that amount was embezzeled by a dishonest member of the Board, who by false statements was able to deceive the auditing committees.

The banks holding the funds of this Home furnished the Committee on Homes a certified statement of the Funds in their hands and the Committee believes that the accounts as reported this year are correct.

All securities reported by the above Home were examined by the Committee and were as reported.

We were advised that the Board of Managers is suing the bonding company and hope to recover at least a part of the shortage.

The Committee on Homes has full confidence in this Board as at present constituted.

Some securities held by the Home at Middletown, and reported last year among their assets were found to be worthless and were accounted for as "losses in securities."

The accounts of this Home for the year appeared to be correct as reported and all their various funds agreed with the balance sheets furnished by the banks where they are deposited.

The Philadelphia Orphanage reports the reception of a Legacy, from the estate of the late Mary Joslyn, amounting to $429.03. This should have reached the above Home last year, but the matter was delayed and the legacy was not received until some time later.

The accounts of all of the Homes, including those already mentioned, were found to be correct and the Committee on Homes extends its thanks to the several Boards for the full cooperation given.

All securities reported were carefully examined, all Homes had the banks furnish the Committee with certified statements of balances

in the respective accounts and in every way possible assisted the Committee in its labors.

The Aged Homes are still filled to their capacity and all have a waiting list, including the Rebekah Homes, of applicants who have been declared eligible, but for whom there is no room.

During the last few months, however, there has been a considerable falling off in applications.

The applications from Orphans continue to become less, only 10 being received last year, as against 166 from the Aged.

Of the ten applications of Orphans all were admitted and 35 were released during the year, a total decrease of 25 children.

166 applications were received from Aged Brothers, their wives and from Rebekahs.

131 were declared eligible and 35 were found ineligible.

45 persons were admitted to the Odd Fellows Homes and

8 Sisters to the Rebekah Homes.

There are now on the waiting list at the four Aged Homes the names of 153 persons.

RECOMMENDATIONS

The Committee on Homes recommends:

(1) That the Board of Grand Officers be authorized to revise the present application blanks, for all classes of residents, so as to conform with the present By-laws of the Grand Lodge and otherwise as they may deem advisable.

Recommended:

(2) That the per capita tax for the Maintenance of the Rebekah Homes be increased.

Recommended:

(3) That the Board of Grand Officers, themselves, or by the Board of Surveys or other committee as they may deem proper, investigate the overhead expenses of the several Homes, with a view of standardizing salaries and other expenses, if the same be found advisable and feasible, reporting the result of their labors, with recommendation to the next session of the Grand Lodge.

In explanation of the above we include herewith an extract from the Grand Sire's report, as submitted to the last session of the Sovereign Grand Lodge together with some conclusions of the Committee on Homes.

> *"One thing is certain, in connection with the administration of the affairs of these Homes, (Odd Fellows' Homes) most of them at least, more attention should be given to the overhead expense and a more definite plan of supervision and management.*
>
> *"It is a great work, when we undertake to educate children and to care for older Brothers and Sisters, but there is nothing in connection with this great undertaking that would justify little attention, loose rules and a lack of financial understanding."*

While this does not seem to apply to our own Jurisdiction at the present time, we have suffered from some such conditions in the recent past.

The Committee on Homes in its report last year called attention to the great difference in the salaries paid to the officers of the respective Boards. The duties of these officers are similar and the Committee fails

to understand why there should be so much difference in their remuneration.

The administration expenses, including Secretaries', Treasurers', Superintendents', and Matrons' salaries and Board expenses amounted to almost $25,000 during 1933.

The following recommendation, in the form of a resolution, emanated from Brother William F. Dixon, Secretary of this Committee, and while the Committee is not a unit in support thereof, because of the long experience of Brother Dixon in the Home work, his sincerity in all his propositions and the fraternal thought behind this proposal, it is included as being worthy of consideration by this Grand Lodge:

(4) *Be it Resolved,* That this Grand Lodge proceed to take such steps as may be needed in the premises, including any necessary changes in the Laws, to furnish and utilize the vacant space in the several Orphanages, for the reception and maintenance of the Widows now in the Aged Odd Fellows Homes, the space vacated by their removal, to be allotted to the most needy and destitute Brothers now on the waiting list at these Aged Homes.

REPORT No. 24

DISTRICT No. 3

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

Your Committee on Appeals for District No. 3 respectfully submits the following report:

One case was before your Committee on April 14, 1934, that of Walter G. Clasper, (Appellant) and Hoboken Lodge, No. 1112, I. O. O. F., on charges.

A charge of Conduct unbecoming an Odd Fellow, (abuse of a minor child) had been preferred against Walter G. Clasper, and by action of the lodge the brother had been found guilty, and suspended for one year, from which appeal had been taken.

After wading through the bulky mass of material in the case as was submitted to your committee for their consideration, the case might have been remanded back to the lodge for a retrial, on account of the illegality on the part of the lodge, and also the trial committee, BUT; your committee after giving the matter full, due, and careful consideration, and for the best interest of all parties concerned, lodge members and the Order in general, it was deemed advisable to sustain the appeal, and reverse the action of the lodge, and a motion to that effect prevailed by a vote of 7 Ayes, 2 Nays.

The Appeal was therefore sustained and the action of lodge reversed.

Transcript of judgment and papers in the case are in the office of the Grand Secretary.

Your Committee on Appeals for Assistance, District No. 1, continued the same organization as the previous year. During the current year we received for consideration, Two Appeals:

Appeal No. 123, from North Wales Lodge, No. 610, in behalf of their Brother, Frank B. Quinn. The Committee found this to be a most needy case and recommended Assistance in the form of $10.00 per week for four weeks, $8.00 per week for four weeks and $5.00 per week for the next eighteen weeks, covering a total of twenty-six weeks, or six months. The amounts to be paid in accordance with paragraph 50 of the By-Laws of the Grand Lodge and subject to the approval of the Grand Master.

Appeal No. 126, from the same Lodge and in behalf of the same Brother. The Committee made the required investigation but before their recommendation was forwarded to the Grand Secretary, we were advised that Brother Quinn had

" . . . joined the innumerable caravan, to take his chamber
in the silent halls of death."

In view of the circumstances, further consideration being unnecessary, Appeal No. 126 was returned to the Grand Secretary.

We would also recommend that the "Form of By-Laws" which are furnished to the Lodges upon request to the Grand Secretary, be used at all times for the revision of Lodge By-Laws, or when Amendments to the Lodge By-Laws are being submitted to the Lodge or to the Committee on By-Laws of the Grand Lodge.

Particular attention should be paid to the Constitutional Law in order that Amendments submitted do no conflict therewith.

The Committee on Competitive Degree Work presented their report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 32

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

Your Committee on Competitive Degree Work herewith submit their report:

In accordance with Resolution No. 1, Page 664, Journal of 1933, which was adopted as recorded on Page 695, Journal of 1933, Competitive Degree Work was eliminated this year, and no appropriation was made. Therefore no competitions were held and there will be no exemplification of Degree Work during this session.

Your Committee realize that the elimination of the contests was for the sake of economy, and we feel that the competitions should be resumed as soon as financial conditions warrant, as we believe that proper exemplification of the various Degrees is a matter of vital importance to our Lodges. Anything that this Grand Body may do to stimulate a greater interest in that work should be done.

The Board of Survey of the Homes presented their report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 34

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

At the last Session of the Grand Lodge, by the adoption of Resolution No. 9 (Journal of Proceedings, 1933, p. 694) your Board of Survey, in addition to its original powers, was specifically charged with the duty of considering and recommending to this Session of the Grand Lodge;

(1) "some feasible plan by which the management and operation of the Homes can be made more effective in the interests of the Grand Lodge, the Subordinate Lodges, and the residents of our several Orphans' and Aged Homes," and

(2) "such other recommendations as may seem necessary."

The original authorization of the Board (Journal of Proceedings, 1932, p. 219) was for the purpose of considering the whole aspect of the Homes, and recommending what, in the best judgment of the Board was for the best interests of the Order in this Jurisdiction. To that end, the Board made certain specific recommendations to the last Session (Journal of Proceedings, 1933, pp. 612-613) which were fully discussed and acted on by the Grand Lodge (Journal, 1933, pp. 681-683). The recommendations of the Board were as follows:

Recommendation I. That the Grand Lodge take over the ownership, control, and management of the several Homes.

Recommendation II. That the four Orphans' Homes be consolidated into two, the children be transferred to the two so designated by the Grand Lodge, the other two to be sold and the proceeds be used for an endowment for the remaining Homes.

Recommendation III. That all persons handling any of the funds of the Homes be bonded by a corporate surety company in an amount sufficient to cover the amount of all monies so handled.

Recommendation IV. That all Homes be required to have their officers' accounts audited at least annually by a certified public accountant, not a member of the Order.

Recommendation V. That the By-Laws of the Grand Lodge be so amended as to abolish the Board of Survey or the Committee on Homes, and the appointment thereof by the Grand Master.

Recommendations I and II were tabled; Recommendations III and IV were adopted; and Recommendation V was passed by the adoption of the Report of the Board of Survey (Journal, 1933, p. 683). This, by way of recalling the situation.

In carrying out its duty to the Grand Lodge, your Board desires to report as follows:

(1) The Board is still of the unanimous opinion that some concentration of the six Homes of the Order will presently be an absolute necessity, so that the overhead may be materially reduced, and our duty to our wards adequately fulfilled. In support of its judgment, the Board desires to call to the careful consideration of the Grand Lodge the following quotations from reports of the Sovereign Grand Lodge:

"One thing is certain, in connection with the administration of the affairs of these Homes . . . , more attention should be given to the overhead expense and a more definite plan of supervision and management. It is a great work . . . we undertake . . . but there is nothing in connection with this great undertaking that would justify little attention, loose rules and a lack of financial understanding."

From the Report of Grand Sire W. F. Jackson to the Sovereign Grand Lodge, 1933.

"The time has come when every Jurisdiction should make a careful survey of the situation and seek an avenue of honorable escape through retrenchment or otherwise. Legislation may be necessary to prevent some of our Homes continuing to follow a suicidal policy . . . the good name of the Order must be protected and ways and means must be adopted to solve the financial problem . . . . Two of our Jurisdictions have already lost their Homes on account of inability to finance, and there are others that are today struggling to carry on . . . . The peril is real and we must call a halt before it is too late. One of the larger Jurisdictions has before it for consideration the consolidation of Homes . . . . This is a step in the right direction."

From the Report of the Special Committee on the Investigation of Odd Fellows' Homes to the Sovereign Grand Lodge, 1933, Past Grand Sire Powley, Chairman.

Your Board of Survey, however, does not feel that it, or any similar group of laymen is qualified to undertake the legal and financial work necessary in such a consolidation. It therefore recommends that at such time as the Grand Lodge be ready to undertake the consolidation, a qualified firm of accountants and experts be employed by the Grand Lodge to recommend the necessary procedure.

(2) The second specific objective of the Board was to suggest to the Grand Lodge the need of adequately safeguarding the finances of the Homes. To that end the Board recommended items III and IV, already noted. These recommendations were adopted by the Grand Lodge, and we are assured that they are being carried out.

(3) Finally, in accordance with Recommendation V, above, approved by the Grand Lodge at its last Session, we again recommend that having brought to the attention of the Grand Lodge the two main objectives for which it was originally appointed, the Board of Survey be herewith discontinued.

The Committee on Testimonial to Retiring Grand Master presented their report, which was referred as per the Resolution of the Grand Lodge.

REPORT No. 35

STROUDSBURG, PA., JUNE 12, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

Your Committee on Testimonial to the Retiring Grand Master, Archibald A. Grant, respecfully submits its report as follows:

Robert Burns Lodge, No. 859, I. O. O. F., in which Brother Grant holds membership, appointed a committee composed of George C. Wetzel, P. H. Ackey, and Harry Gilchrist to make arrangements for a testimonial banquet in honor of Brother Grant and invited the members of your committee to participate in that affair and at the same time present the Grand Lodge Testimonial.

Your Committee accepted this invitation and on the evening of September 28, 1933, a large number of the members of Robert Burns Lodge, together with the members of your Committee, and invited guests, gathered in the banquet hall of the Hotel Jermyn which was beautifully decorated with palms, potted plants and cut flowers, where a most appetizing dinner was served, following which a delightful program of vocal and instrumental music was rendered.

The presentation of a Past Grand Master's Jewel to Brother Grant was made by the Chairman of your Committee, to which Brother Grant very feelingly responded expressing his appreciation for the honors conferred upon him by the Order in this Jurisdiction with particular emphasis upon the good will and loyalty vouchsafed him by the members of Robert Burns Lodge and his friends and associates in Scranton and vicinity.

Grand Secretary, Frank Shannon, Grand Patriarch Albert E. S. Montgomery and Past Grand Marshal Robert M. Sims, each, in his own inimitable manner, extended his congratulations and felicitations to Brother Grant upon his successful conduct of the affairs pertaining to the duties of the various official positions he has held in the Grand Lodge. Many amusing and interesting incidents occurring during the year Brother Grant served as Grand Master were related. It being the general opinion, however, of many of those present, that these brothers refrained from making public incidents that would have proven more interesting and enlightening than were those mentioned. However, that may be, the affair was eminently successful and pleasing to all in attendance and demonstrated the high esteem and regard in which Brother Grant is held by his friends and neighbors who thus united in paying him due respect and honor.

After the close of the musical and literary program, the remainder of the evening was given over to social activities including dancing and card playing.

REPORT No. 40

STROUDSBURG, PA., JUNE 13, 1934.

To the Grand Lodge of Pennsylvania, I. O. O. F.

Your Committee on Petitions and Statistics has carefully considered all matters referred to it for perusal by the Committee on Distribution, and report to your Grand Body as follows:

The action of the Grand Master and Grand Lodge Officers in consolidating twenty Lodges into ten Lodges to work under the name and title, at the places designated, and the Grand Master's and Grand Secretary's report, we recommend be approved.

We recommend the granting of Charters to Tikvah Rebekah Lodge, No. 68, I. O. O. F., located at Scranton, instituted January 11, 1934; Blossom Rebekah Lodge, No. 86, I. O. O. F., located at Slocum, instituted April 7, 1934, and Arbutus Rebekah Lodge, No. 97, I. O. O. F., located at East Troy, instituted June 5, 1934.

Your Committee recommends for approval by the Grand Lodge the action of the Grand Master as to "Change of Place of Meeting, Night of Meeting, To Wear Regalia, Public Installations, Joint Public Installations, General Permissions, Permissions to Homes, and Waiver of Jurisdiction," having to do with Subordinate and Rebekah Lodges.

The efforts put forth during the past year by the Grand Master, Deputy Grand Master and Grand Warden, the time spent and labor performed should bear much fraternal fruit. They are deserving of the highest commendation of this Grand Body. The continuation of similar activities by succeeding Officers will, we feel, result in much good for the Fraternity.

From the Grand Secretary's report we ascertain that the membership is much less than the previous year.

The membership of the Subordinate Lodges September 30, 1932, was 145,699 and the membership of Subordinate Lodges September 30, 1933, was 129,411. The gain during the year by initiates was 1,230; admitted by Card, 986; reinstated 492, a total gain of 2,703. The losses were deceased, 2,579; withdrawal by Card, 2,601; suspended, 13,803; expelled 8, total 18,991, making a net loss for the year of 16,288. The loss in membership in 1933 was 5,975 greater than in 1932.

A comparison of members initiated and members suspended as in 1923, ten years ago, and 1933, is as follows:

Year	*Initiated*	*Suspended*	*Loss*
1923	7,887	8,761	874
1933	1,230	13,803	12,573

From the above two factors which throw some light upon the decrease in membership, viz: The initiations were very small, while the suspensions were very great. In 1923 the initiations were 6,657 more than in 1933; the suspensions in 1933 were 5,042 more than in 1923. It is very apparent from the above that the economic conditions prevalent are responsible for the condition existing in our Fraternity today. We can, however have a happy consciousness that while the Order has decreased in membership, its principles are ever uppermost in the hearts and minds of the Brothers and are an incentive for better living and a better Americanism.

It is to be further noted that the above figures are based on a situation nine months passed and do not show the results of the splendid efforts of the Grand Master, Deputy Grand Master and Grand Warden which your Committee believe, will, if followed up by their successors and the entire membership of the Order, show a material increase in the membership when the next statistics are compiled.

The total receipts of Subordinate Lodges from all sources in 1932, were $1,775,002.93 and in 1933, were $1,503,971.82, showing a decrease of $271,031.11.

The amount paid for Working Expenses and Relief of Members in 1932, was $1,677,370.93 and in 1933, was $1,423,770.60, a decrease of $253,660.33.

The total receipts from all sources during the year were $1,503,971.82 while the total amount expended for Relief and Working Expenses was $1,423,770.60 leaving excess receipts over expenses of $80,201.22.

The average cost of relief to each member per annum was $6.47, a reduction of 34 cents from the previous year; the average cost of Working Expenses was $3.29 while for the prior year was $3.58 showing a decrease of 29 cents. The combined cost of Relief and Working Expenses to each member during the year was $9.76 or 18 2-10 cents per week, a decrease over the previous year of 1 7-10 cents.

Your Committee desires to commend most heartily the decrease shown by the above figures in the Working Expenses of the Lodges and the careful expenditure of their Relief Funds.

The following is a statistical comparison of the work of the Rebekah Lodges during the past year.

Total membership as of September 30, 1932	32,290
Total membership as of September 30, 1933	29,244
Decrease	3,046
Amount paid for relief of members, 1932	$ 4,226.54
Amount paid for relief of members, 1933	4,024.00
Decrease	$ 202.54
Total paid for relief of families and orphans, 1933	$ 4,523.56
Total paid for relief of families and orphans, 1932	1,688.54
Increase	$ 2,835.02
Total amount received from all sources in 1932	$140,903.07
Total amount received from all sources in 1933	116,134.38
Decrease	$ 24,768.69
Amount paid for Relief and Working Expenses, 1932	$ 99,663.26
Amount paid for Relief and Working Expenses, 1933	83,059.62
Decrease	$ 16,603.64
Invested funds, 1932	$ 66,877.75
Invested funds, 1933	54,575.59
A decrease of	$ 12,302.16

From an examination of the Statistical report of the Homes as contained in the Grand Secretary's report, we find there are in the Orphans Homes, 381 residents; in the Homes for the Aged, 289, and in the Rebekah Homes, 48 residents; that there are in all the Homes 718 residents, a decrease of 36 from the previous year's report; that the average yearly cost and maintenance of each resident at the respective Homes ranges from $233.00 to $445.31.

We invite your attention to the following:

Total cost of Maintenance of all Homes in 1933	$236,868.36
Total cost of Maintenance of all Homes in 1932	234,806.39
An increase of	$ 2,061.97
Total cost of Wages of Household Help in 1932	$ 50,237.91
Total cost of Wages of Household Help in 1933	46,336.90
A decrease of	$ 3,901.01
Total Wages of Outside Help in 1933	$ 3,007.20
Total Wages of Outside Help in 1932	1,555.46
An increase of	$ 1,451.74

The salaries of Superintendents and Matrons, continue as heretofore, except in two instances where we note a slight reduction.

An examination of the average yearly cost of maintenance of a resident at each of the Homes shows an increase at four of the Homes and a decrease at the other four Homes, or a net average decrease of $15.72 in the cost of maintenance per resident, per year in all the Homes.

It is regrettable that so many Lodges are delinquent. Your Committee is informed that several of those delinquent Lodges do not hold meetings but are holding their Charters for purposes not entirely in accord with the laws of the Order. Some of the Lodges have not paid any Per Capita Taxes for a number of years, and make no effort to do so.

We most strenuously recommend that the Grand Master and Board of Grand Officers immediately lift the Charters of these Lodges and take possession of all their effects. Other delinquent Lodges we respectfully refer to the Board of Grand Officers for such action as their good judgment may dictate.

THURSDAY MORNING

Stroudsburg, Pa., June 14, 1934.

The Grand Lodge reassembled pursuant to the order of recess. Present: The Grand Officers and a quorum of Representatives.

Invocation by the Grand Chaplain.

Almighty God, our Heavenly Father, being convinced that thou art "a rewarder of all those who diligently seek" thee, we are constrained to approach Thee with our needs and ambitions. We seek the renewed impartation of the Holy Spirit that we may be prepared to do our part advancing the cause of righteousness which will hasten the coming of that time when "the earth will be filled with the knowledge and the glory of God as the waters cover the sea." We have been taught to revere Thee as the One who has fashioned our bodies and created our spirits, and whose "tender mercies are over all his works." We have come together again, after having enjoyed another period of rest, to follow the gleam of duty, which we trust will increase our usefulness as Thy servants and cause us to be more devoted to the needs of one another. And may "the peace of God, which passeth all understanding" be the prevailing power of our lives at all times. Amen.

Following the invocation the Grand Lodge standing at the request of the Grand Master, repeated in unison the pledge of Allegiance to the Flag and sang the "Star Spangled Banner."

The Deputy Grand Master at the direction of the Grand Master declared the Grand Lodge open for business.

To the Grand Lodge of Pennsylvania, I. O. O. F.

It is regrettable that so many Lodges are delinquent. Your Committee is informed that several of those delinquent Lodges do not hold meetings but are holding their Charters for purposes not entirely in accord with the laws of the Order. Some of the Lodges have not paid any Per Capita Taxes for a number of years, and make no effort to do so.

We most strenuously recommend that the Grand Master and Board of Grand Officers immediately lift the Charters of these Lodges

and take possession of all their effects. Other delinquent Lodges we respectfully refer to the Board of Grand Officers for such action as their good judgment may dictate.

To the Grand Lodge of Pennsylvania, I. O. O. F.

Your Committee on Courtesies respectfully submits the following:

For the hearty, gracious welcome extended by the Officials and people of Stroudsburg and Monroe County we are genuinely grateful. This beautiful mountain city, so generously endowed by nature, has provided a delightful setting for this Session of the Grand Lodge, and its beauties have been appreciated to the fullest extent.

The warm welcome extended officially by Hon. J. H. Lanterman, Mayor of East Stroudsburg, and Mayor Hal H. Harris, of Stroudsburg, were in conformity with the general attitude of the people, which went a long way toward making us comfortable.

We feel deeply indebted to the Odd Fellows of Monroe County for the very complete arrangements made for our reception and entertainment. The various Committees functioned efficiently and their efforts were appreciated.

We also are indebted to the press of the City as represented by the *Morning Sun*, of East Stroudsburg, and the *Record* of Stroudsburg, for the very full reports of the proceedings published from day to day. This publicity has kept the people informed and has been of great benefit to the Order.

Our thanks are also extended to The Stroudsburg Security Trust Company and the First Stroudsburg National Bank for kindly placing the accommodations of their banking facilities at the service of the Grand Lodge and the Representatives.

We wish to express our appreciation of the hospitality of the hotels and of the citizens who so generously opened their private homes for our accommodation this week, and to Hal H. Harris, Mayor of Stroudsburg, and to the Chamber of Commerce of Monroe County for their generous supply of illustrated pamphlets.

We were pleased to receive a fraternal visit from Clayton W. Boyce, Grand Secretary of the Grand Lodge of New York.

We recommend the adoption of this report; that it be printed in the Journal of Proceedings of this Grand Lodge Session, and that copies be furnished the press.

Fraternally submitted,

WILLARD G. SHORTZ, *Chairman*,
FRED R. KORMAN.

H. E. Robinson, Rep. of No. 34, moved that a rising vote of thanks be extended to Past Grand Master Daugherty for the efficient and pleasant manner in which he had conducted the affairs of the Grand Lodge. The same was unanimously agreed to.

The Grand Master, G. Will Henry, presented his printed address, copies of which were distributed to the Representatives present.

Upon motion of Frank Shannon, P. G. M., Grand Secretary, the printed address was received and ordered printed in the Journal.

My Good Friends:

Thank you, brethren, for the honor you have just conferred upon me, the high honor of placing me as your Grand Master for the coming year. I thoroughly appreciate this wide expression of your confidence.

However, I am more sensitive to the great *responsibilities* of the office, than of the honor it confers, for the thought of the work to be done, brings a very solemn effect upon every one who desires to live up to the traditions of the office of Grand Master, and to maintain the high standards of many of the able and earnest brothers, who have held this honorable position of power and purpose.

I shall see that the Constitution, Laws, Rules and Regulations in this great jurisdiction are faithfully observed; that the principles to which Odd Fellowship is dedicated are maintained; that its spirit of real fraternity and its purpose *to do its part* in the cause of humanity are developed and directed; and that the business affairs of this Grand Lodge are carefully, completely and soundly administered.

I trust that I may be given the strength to discharge all of them, in a manner that will meet with your approval.

The year's work is as much yours as mine, and results are as much dependent upon you as upon me. You must lend every energy to the task of ensuring *advancement in company with me.* The efforts of the Grand Master must be supported individually by each member in our lodge, and we can accomplish no more, and get no farther, than what we together sincerely desire.

The men who will be taken into our Order this year, are to be known, collectively as

"THE GOOD WILL AND PERSEVERANCE CLASS,"

named definitely and directly for the fine, fraternal acts that you do daily for friends, and among other folks in your communities; and for the hopeful patience and happy perseverance that you will use, in trying again to get good material for our roll of selected membership. *"Good Will* toward all men" is not a mere seasonable, Christmas message, and *Perseverance* is not only a triumphant quality word of signal, to rise and rally from late discouragements.

You are to favor our brothers by using this *Good Will* and *Perseverance* in all our social activities, our business organizations, and in the ritualistic renditions. *Acts of Good Will and Perseverance,* this year, is to be the practical way of broadcasting our Odd Fellowship.

We have historians in Odd Fellowship, and you know them. We have philosophers in Odd Fellowship, and you have heard them. We have authors in fraternal literature, and prolific editors who prepare our local and sovereign Odd Fellow papers, and you have read them. We have writers of degrees and painters of symbols, and builders of laws,—but *this year, everywhere,* in the smallest lodge and in the biggest city, for the good of this great Order,—*let us have doers of these words, Good Will* and *Perseverance.*

The *modern lodge* must do business on a different basis from the old days, for the old time methods are not sufficient.

A lodge does not prosper that conducts its affairs precisely as it did years ago, and the only way we can have a real revival in Odd Fellowship, is to *make* and *keep our lodge meetings interesting* to all those who attend.

REVALUATION

Let us be sensible; let us be men!
Yesterday never is coming again.
Whatever the future for us has in store,
It will be *different* from what's gone before.
The old days are over, the new days are here.
And property's worth what it sells for this year.

Let's be courageous and let's face the truth.
Men in their sixties no longer have youth.
To sigh for lost treasures and customs is vain;
Old dogs can never be puppies again.
We may wish for the past till our faces turn black,
But the thing that was yesterday never comes back!

We have known riches and sunshine, but now
We must brave tempest and trial somehow.
Once life seemed easy, but now it is stern.
A new set of values today we must learn.
A new code of courage, a rough weather creed,
And *faith in tomorrow* are things that we need.

"N. R. A." means no rituals allowed. I ask you to try it ambitiously without them, and then try again in the spirit of *Good Will* and tenacious *Perserverance*, to operate without them, and in two months you will write to me: "It's fine, we are happy, we are growing!" We can grow in spirit, we need to grow in devotion, we must grow in united happiness, before members will be materially added. Prompt, efficient dispatch of lodge business, without wasted time on trivialities and non-essentials, will permit the 10:30 closing hour to become a pleasing reality.

I expect the D. D. G. M.'s who represent me, to help subordinate lodge officers *in conferences* to plan the year's work and do *something. Every month there must be things of interest.* As a Representative in this great body, did you have a *Memorial Service* in your lodge, district or county? *Picnics* are now in order. *District Visitations*, not only for religious service, marshalled by you as the combined Representatives of the whole district, and in company with the D. D. G. M.'s, should be made once each year to the homes of this state, and see that the doubting folks are in the caravan. The *birthday of your lodge* is an occasion that comes regularly. A roll call program for *Old Members*, an *Illustrated Lecture*, a government free motion picture in reference to education, industry and agriculture, are worth while. *Degree Work* is high above dart baseball, and a *Glee Club or Chorus* is more than bingo. *An annual church attendance* by the lodge as a body is necessary. *A question and answer night* to serve as a clearing house for inquiries about the progress, the purpose and finances of lodge work will help. In January there is *Wildey Day*, February for *Patriotism*, and the banner attendance should be recorded on the *March Election* night for Third Degree members as well as Past Grands. April is the *Order's Anniversary*, and May is a good time for the year's annual *Rally Program.*

I ask you, as a Representative from your lodge to this Grand Lodge, to plan and observe.

One evening for the entertainment of the *Rebekah Lodge*;

One evening for a *Father and Son Night*;

One *Family Night* or Christmas festival;

One evening for your lodge as a whole to *visit in another district*, and another evening to act as host for the lodge you visited;

One evening to have the Encampment visit and present their program for your instruction and entertainment;

One evening for *invited young folks*, who could become members of our *Junior Order* and subordinate lodge.

I ask you, as the Representative from your lodge to this Grand Lodge, to see that your lodge *caters more this year to the young mem-*

bers, and that all of them have something to do,—on committees that work, and entertain, and instruct and lead.

The history of this year's work is to be written in *deeds*, and not mere talk. I expect to commend and broadcast to every lodge the *joyous service* that is done in *good will*. I expect to learn, by *stated conferences*, of your friendships, your fellowships and the contacts you make with your brethren that enriched them through the fundamental principles of our great order.

The *Good Will* and *Perseverance Class* of new members, and the do-something-definitely-groups of the present membership starts now on a program of *twenty-one points*.

"God give us men!
This time demands strong minds, great hearts, true faith and willing hands;
Men whom the lust of office does not kill;
Men whom the spoils of office cannot buy;
Men who *possess opinions and a will*;
Men who have honor; men who will not lie;
Men who can stand before the demagogue
And damn his treacherous flatteries without winking;
Big men,—sun-crowned, who live above the fog
In public duty and in private thinking.
While we view the rabble with their thumb worn creeds,
Their large professions and their little deeds
Mingle in selfish strife.
Lo! freedom weeps, wrong rules the land
And writhing justice sleeps!

Let us get these big men by initiation, and by re-instatements; let us associate with these kinds of men,—brethren let us be these kinds of men!

G. WILL HENRY, *Grand Master*.

WHEREAS, The experience of years past has shown the danger of permitting Lodges to erect and construct Halls with the title in the name of the Trustees of the Lodge, and

WHEREAS, The Courts are empowered to grant Charters of Incorporation for the purpose of enabling Halls for the use of Odd Fellows and other Fraternal Orders to be erected and constructed. Therefore be it

Resolved, That hereafter the Grand Lodge shall not permit the erection or construction of any building for Lodge or other fraternal purposes without having the title to the real estate placed in the name of a corporation. Be it further

Resolved, That Lodges be required in securing such Charters of Incorporation, to provide against the possibility of losing control of the Corporation. Therefore be it further

Resolved, That such Charters of Incorporation shall provide that no stock be issued.

And be it further Resolved, That the form of Charter in each case be first reported to and approved by the Board of Grand Lodge Officers before being presented to the Courts for the Incorporation.—*Journal*, 1915, pp. 559, 560.

Be it Resolved, That all forms of Articles of Incorporation for Charters for Odd Fellows' Hall Associations as well as all requests for permission to purchase property, either improved or unimproved, for the purpose of erecting Odd Fellows' Halls thereon, as well as all requests for permission to build Odd Fellows' Halls, together with the plans, specifications, builder's estimates and financial statement, must be filed in the office of the Grand Secretary of the Grand Lodge of Pennsylvania at least ten days prior to the meeting of the Board of Grand Lodge Officers at which the same are to be considered by the said Board.—*Journal*, 1925, p. 687.

For further information communicate with the Grand Secretary.

BY-LAWS

When the Lodge desires to revise or to amend their By-Laws, the Committee appointed for the purpose should first carefully read the following laws and instructions:

Each Subordinate Lodge may make By-Laws, not in conflict with or containing any provisions of the Constitution or the laws of the Order, which By-Laws shall take effect from and after the receipt by the Lodge of the approval of the Committee on By-Laws of the Grand Lodge, except when otherwise provided for by the Lodge in its By-Law, or when upon appeal, they are approved by the Board of Grand Officers or the Grand Lodge.—Const. G. L., Art. IX, Sec. 2.

The laws for the government of Subordinate Lodges in Pennsylvania will be found:

First—In the General Laws as set forth in the Code of Laws of the Sovereign Grand Lodge.

Second—In the Constitution for Subordinate Lodges as adopted by the Grand Lodge of Pennsylvania to take effect August 28, 1931.

Third—In the By-Laws of the Subordinate Lodge as approved by the Committee on By-Laws of the Grand Lodge.

Questions of Construction as to the meaning of the By-Laws of a Lodge shall be first decided by the presiding Officer of the Lodge, and on appeal from his decision, by the Lodge itself, subject to appeal from the decision of the Lodge to the Grand Master, in recess, or the Grand Lodge. —S. G. L. Code, 797.

When acting upon By-Laws, the first question to consider is whether the proposed By-Law is already a law of the Order, Constitutional or otherwise.

A Lodge cannot insert in its By-Laws any part of the Constitutional or General Laws of the Order, but may adopt such laws, in addition to existing laws, as it may desire for its government, provided they do not conflict, nor can any provision of the Constitution or General Law be inserted in the By-Laws.

BY-LAWS OF SUBORDINATE LODGES

It shall be the duty of the Committee on By-Laws to examine into, and if found to be in proper form, approve all By-Laws or Amendments thereto of Subordinate Lodges submitted to them for examination. No By-Laws or Amendments thereto shall be valid without such approval, subject, however, to an appeal within 30 days from the action of the Committee to the Grand Master.—By-Laws of G. L., paragraph 33.

All Lodges submitting a full code of By-Laws to the Committee on By-Laws of the Grand Lodge for approval, are required to furnish two copies of the same, printed or in galley proof, or typewritten in duplicate. Both copies to be certified to by the Noble Grand as having been adopted by the Lodge in accordance with the law on the subject, which certificate must be attested by the Secretary with the seal of the Lodge.

In the case of Amendments to the By-Laws of a Lodge, two copies of the Amendments, written in ink in full, or typewritten in duplicate, must be furnished, certified by the Noble Grand and Secretary with the seal of the Lodge, and in addition, one printed copy of the full By-Laws of the Lodge, as they read before the changes were adopted, must be furnished with the Amendments.

The duplicate copies of full Codes or Amendments, as the case may be, must be forwarded in care of the Grand Secretary for the Committee on By-Laws. One copy, if approved by said Committee, shall be properly endorsed and returned to the Lodge, the other copy shall be similarly endorsed and filed in the office of the Grand Lodge as a record of the action of the Committee on By-Laws.

TRANSFER OF MEMBERSHIP

GENERAL LAW OF THE ORDER

As Amended by the S. G. L. Sessions, 1922-1923

A member of the Order who shall change his residence from the territorial jurisdiction of his Subordinate Lodge, Encampment or Rebekah Lodge to the territorial jurisdiction of another Subordinate Lodge, Encampment or Rebekah Lodge, or who may be transferred from the territorial jurisdiction of one subordinate body to another by a change of the territorial jurisdiction in which he shall reside, and who shall be in possession of an Official Certificate or Visiting Card, showing his dues paid not less than four weeks in advance of the date of his application for membership as hereinafter provided, and who shall desire to unite with a Subordinate Lodge, Encampment or Rebekah Lodge at the place of his new residence, may do so by making application for such membership in the branch of the Order from which he holds such Official Certificate or Visiting Card, accompanied by his Official Certificate or Visiting Card and a fee of twenty-five cents, and by complying with the law applicable thereto. If elected to membership as provided by the local law, the Secretary of the Subordinate or Rebekah Lodge, or the Scribe of the Encampment, as the case may be, shall immediately send notice of such election, together with the said fee of twenty-five cents, to the Lodge, Encampment or Rebekah Lodge issuing the Visiting Card or Official Certificate and request such Lodge, Encampment or Rebekah Lodge to issue a Transfer Certificate for the member as provided by this chapter. The Lodge, Encampment or Rebekah Lodge upon receiving such request and fee shall, unless charges be pending against such member, issue such Transfer Certificate without ballot and send the same at

once to the Secretary of the Subordinate or Rebekah Lodge, or Scribe of the Encampment making such request. Upon the receipt of such Transfer Certificate the member shall be entitled to sign the Constitution and become a member of the new Lodge, Encampment or Rebekah Lodge, without the payment of any additional admission fee, and the Lodge, Encampment or Rebekah Lodge issuing such Transfer Certificate shall, upon receiving notice from the new Lodge of the date of signing the Constitution of such Lodge (upon stub form prescribed by Section 164), refund to such members all dues paid in advance of such date; *provided*, that if a physician's certificate shall be required the applicant shall pay the expense thereof; *provided further*, that nothing herein contained shall be construed to entitle a Brother transferring, or those claiming under him, to receive benefits from his new Lodge, or Encampment, until such time as he shall become beneficial under the laws of such Lodge or Encampment.—S. G. L. Code, Sec. 163.

The issuing of a Transfer Certificate by a Lodge, Encampment or Rebekah Lodge shall immediately sever the membership of the person to whom the same shall be issued from such Lodge, Encampment or Rebekah Lodge; *provided*, that if the member shall become sick or disabled so as to become entitled to benefits, or shall die, or shall return to reside within the territorial jurisdiction of the Lodge granting the Transfer Certificate within the period for which dues have been paid in advance and before completing membership in his new Lodge or Encampment by signing the Constitution thereof, or if the member fails to sign the Constitution of the new Lodge within three months after the date of his election, the Transfer Certificate so issued shall be *ipso facto* cancelled and the member shall retain his beneficial standing in his old Lodge or Encampment the same as though no Transfer Certificate had been issued. —S. G. L. Code, Sec. 164.

MEETINGS

Under the General Laws of the Order and the provisions of the new Constitution for Subordinate Lodges the regular meetings of the Lodges must be held weekly, or may be held semi-monthly, on such night of the week (except Sunday) as the By-Laws may prescribe. No Lodge has the power or authority to dispense with its regular meeting except when the regular meeting night shall fall on the date of any National or legally established and generally recognized Holiday.—S. G. L. Code, Sections 801, 805, 805½, 806, 807. Constitution S. L., Article III.

TERMS OF OFFICERS

The term of officers in all Subordinate Lodges working under the jurisdiction of the Grand Lodge of Pennsylvania is:

A. For a period of six months, where Lodges meet weekly, commencing with the regular meeting night of April and October of each year.

B. For a period of one year where the Lodges meet semi-monthly, commencing with the first regular meeting night in October of each year.

A term, therefore, consists of twenty-four regular meeting nights within the above stated period of six months or one year, as the case may be. Where the law requires that in order to be eligible to advancement an officer must serve a majority of the meeting nights of the term, said law requires said officer to be present and to serve for at least thirteen meeting nights within said period of six months or one year.

When a Lodge shall fail to hold its regular meetings for any reason, except one over which the Lodge has no control, and the meetings not held, taken with those meetings not attended by any officer of the Lodge, shall constitute a majority of thirteen (13) meeting nights of any one term, said officer or officers are not entitled to the honors of their office, nor are they qualified for advancement and installation into next succeeding office. In the case of Noble Grand, such lack of service will deprive him of the honors of a Past Grand.—S. G. L. Code, Secs. 212, 783, 873, 877.

ILLEGAL PUBLICATIONS

It is illegal to print, publish or circulate, or cause to be printed, published or circulated, any of the forms, ceremonies, lectures, charges, diplomas, odes or certificates, or any other article entered upon the list of supplies that form part of the sources of revenue of the Sovereign Grand Lodge, adopted by the Sovereign Grand Lodge for its own use, or for the use of Grand and Subordinate Lodges under its Jurisdiction. The printing of the Odes on a program of service or entertainment is unlawful.—S. G. L. Code, Sec. 940.

USE OF NAME OF ORDER

Grand Lodges authorized to permit the use of the name of the Order as follows:

"Section 254½. When in the judgment of a Grand Lodge it will be to the interest of all concerned to allow a Subordinate Lodge, or Lodges, to organize a baseball, bowling, football, golf, or similar worthy athletic team, or league of such teams, or choral society, glee club, orchestra or like musical organization, composed entirely of members of the Order, it may authorize its Grand Master, after satisfying himself that nothing will be done or attempted to reflect upon the good name of the Order or result in a violation of its laws, to grant dispensations permitting the use of the name of the Order for this purpose."

OFFICIAL CERTIFICATE

The Official Certificate in form as prescribed by the Sovereign Grand Lodge is the only lawful receipt for dues or assessments paid to Subordinate Lodges on the Continent of North America. It is unlawful for any Lodge or Officer thereof to issue a receipt upon any other form than that prescribed and sold by the Sovereign Grand Lodge. When any member of a Lodge in Pennsylvania shall pay dues or assessments of any amount whatever, irrespective of whether said amount paid is in advance of the date on which it is paid or not, and shall demand or request a receipt therefor, the Secretary MUST ISSUE AN OFFICIAL CERTIFICATE OR RECEIPT to the member.

The Official Certificate when properly executed, showing dues paid to date later than the date on which the same is presented, shall be sufficient authority for any Noble Grand to communicate to the holder thereof, who shall prove himself in the work, and identify himself as the person named thereon, the current A. T. P. W. if the holder be visiting in a Jurisdiction other than his own, or the S. A. P. W. if the holder shall be in his own

Jurisdiction. It is a means of identification of great value when a Brother is away from his Home Lodge, and many an embarrassment may be avoided if a Certificate in date is continually carried.—S. G. L. Code, Art. II, Chapter 3.

JEWELS IN LIEU OF REGALIA

Members who are not occupying official positions and who are in possession of and entitled to wear veteran jewels, honorable veteran jewels, Past Grand Master's jewels, Past Grand Patriarch's jewels, Past Grand Representative's jewels, Past President's jewels, Rebekah veteran jewels, Past Department Commander's jewels and Department Commander's jewels, may wear the same in lieu of regalia except in The Sovereign Grand Lodge.—S. G. L. Code, Sec. 639.

UNWORTHY MEMBERS

When Brothers of a distant Lodge or others professing to hold membership in our Order solicit financial help or assistance, use the Telegraphic Cipher Code for identification and instructions from his Lodge, or the Lodge he professes membership in. If the Brother is in distress, give him food and lodging, but no money until full identification and instructions are received.

Secretaries of Lodges receiving telegrams of inquiry should give immediate reply. Remember the Lodge and Brother on the other end are waiting, and, furthermore, your promptness will prevent the Lodge from being imposed upon, and imposters or unworthy Brothers from continually preying upon our Lodges.

COMMITTEES' EXPENSES

Resolved, That after the adoption of this Resolution all Committees appointed by the Grand Master or Grand Lodge shall submit with their reports to the Grand Secretary, an itemized statement of expenses incurred, and make a return of all unexpended balances of monies appropriated for their use by this Grand Lodge.—*Journal,* 1925, p. 798.

DISTRIBUTION OF ANNUAL JOURNAL

WHEREAS, There is now a need for a judicious expenditure of the funds of this Grand Lodge.

WHEREAS, There is an opportunity to make a substantial saving in the cost of the Grand Lodge Journal by changing the method of distribution.

Therefore be it Resolved, That the Grand Secretary shall after each Annual Session of the Grand Lodge forward to each Lodge ONE Printed Bound copy thereof, and also ONE copy to each Representative who shall make request therefore.—*Journal,* 1930, pp. 281, 282.

DUTY OF FINANCIAL SECRETARY AT INITIATION

(To be read to initiates)

Resolved, That on the evening that a new member receives his final instructions in a Subordinate Lodge and under the head of the "Good of the Order," he may be presented to the Financial Secretary, there to receive advice as to his financial obligations.

FINANCIAL SECRETARY: My Brother, the existence of any fraternal organization is dependent upon stated financial contributions from its members. This Lodge cannot perform the good work for which we are banded together unless we receive regular remittances from our members. The payment of dues is therefore a necessary moral and legal obligation.

May I impress upon you the necessity of paying your dues promptly and regularly and the advisability of always paying for three months or more in advance. Ours is a selective membership and comprises a class of men who are more than ordinarily honest. No man can honestly or honorably sever his connection with this Fraternity by merely failing to pay his indebtedness and thereby become suspended for non-payment of dues.

Should you at any time desire to terminate your membership in the Independent Order of Odd Fellows, please remember that the only honorable way is to withdraw or resign; and, in either event, freedom from indebtedness to the Lodge is imperatively necessary.

I am pointing out and emphasizing your duty financially to your Lodge, because it is greatly to your advantage to be at all times in good standing. I trust that your membership in this great brotherhood may be long and pleasant and that your association with us in all respects will be mutually satisfactory and helpful.

New Legislation

The following legislation to become immediately effective was enacted:

Amend the Constitution for Subordinate Lodges, Section 1, Article XII, as follows:

Strike out the words in parenthesis "(Not less than $2.00 per week for the first 52 weeks)" and insert in lieu thereof the words in parenthesis "(not less than $2.00 per week until the Brother shall have received 13 weeks' benefits and shall be paid weekly)" and strike out the words "and one dollar per week thereafter."

Resolved, That the Grand Lodge of Pennsylvania, in accordance with Section 3, Article III, and Section 1, Article IV, of the Code of Laws governing Theta Rho Girls' Clubs of the Independent Order of Odd Fellows, authorizes and empowers the Rebekah Assembly of Pennsylvania to form, organize and institute Theta Rho Girls' Clubs in Pennsylvania, as may properly petition for Charters under the laws governing the same.

That Lodges may, for one year from June 14, 1934, reinstate brothers who have been suspended for non-payment of dues for such sum not less than $1.00, as the Lodge may by By-Law or Resolution provide.

Paragraph 45a, of the By-Laws of the Grand Lodge, relative to admission to Homes for Aged and for admission to Rebekah Homes was amended to provide as follows:

Par. 45a. Residents. To be eligible and qualified for admission to a Home for the Aged, the applicant must be indigent and (A) must at the time of his application, be a member in good standing in a Lodge located in the Aged Home District, of at least sixty-five years of age, and have held membership in his said Lodge for a period of at least fifteen years continuously immediately preceding such application, or (B) must be the wife of a member possessing such eligibility and qualifications for admission, of at least sixty-five years of age, who was married to said member at least ten years previous to making application, or (C) must be the widow of a member who at the time of his decease possessed such eligibility and qualifications for admission, of at least sixty-five years of age, who was married to said member at least ten years previous to his decease, or (D) must be an indigent and physically disabled Odd Fellow of any age, who, at the time of receiving his disability, was in good standing in a Lodge located in the Aged Home District, and had held membership for a period of at least ten years continuously immediately preceding his application, or (E) must be an indigent Sister Rebekah over sixty-five years of age, in good standing in a Rebekah Lodge in the Rebekah Home District, and who has held membership in such Rebekah Lodge for at least ten years immediately preceding such application to be eligible and qualified for admission into a Rebekah Home."

Special Notice to Secretaries

The Aged Odd Fellows' Maintenance Tax will be twenty-five (25) cents per term for each member on the roll in each Subordinate Lodge on the last meeting night in each preceding term.

Rituals cannot be forwarded except upon a special order of a Lodge, signed by the Noble Grand and Secretary, and attested by the seal of the Lodge, nor unless the old books have been returned to the Grand Secretary.
